XBOX 360 Forensics Steven Bolt, 2011-02-07 XBOX 360 Forensics is a complete investigation guide for the XBOX game console. Because the XBOX 360 is no longer just a video game console, it streams movies, connects with social networking sites, and chatrooms transfer files and more. It just may contain evidence to assist in your next criminal investigation. The digital forensics community has already begun to receive game consoles for examination, but there is currently no map for you to follow as there may be with other digital media. XBOX 360 Forensics provides that map and presents the information in an easy-to-read, easy-to-reference format. This book is organized into 11 chapters that cover topics such as Xbox 360 hardware, XBOX LIVE configuration of the console, initial forensic acquisition and examination, specific file types for Xbox 360, Xbox 360 hard drive post-system update drive artifacts, and XBOX Live redemption code and Facebook. This book will appeal to computer forensic and incident response professionals, including those in federal government, commercial, private sector, contractors, and consultants. Game consoles are routinely seized and contain evidence of criminal activity. Author Steve Bolt wrote the first whitepaper on XBOX investigations. *Global Marketing Management* Masaaki (Mike) Kotabe, Kristiaan Helsen, 2020-01-09 *Global Marketing Management* 8th Edition combines academic rigor, contemporary relevance, and student-friendly readability to review how marketing managers can succeed in the increasingly competitive international business environment. This in-depth yet accessible textbook helps students understand the state of the art global marketing practices and recognize how marketing managers work across business functions to achieve overall corporate goals. The author provides relevant historical background and offers logical explanations of current trends based on information from marketing executives and academic researchers around the world. Designed for students majoring in business, this thoroughly updated eighth edition both describes today's multilateral realities and explores the future of marketing in a global context. Building upon four main themes, the text discusses marketing management in light of the drastic changes the global economy has undergone: the explosive growth of information technology and e-commerce, the economic and political forces of globalization, and the various consequences of corporate action such as environmental pollution, substandard food safety, and unsafe work environments. Each chapter contains review and discussion questions to encourage classroom participation and strengthen student learning. **The World Almanac and Book of Facts 2013** Sarah Janssen, 2012-12-04 Get thousands of facts right at your fingertips with this updated resource. *The World Almanac and Book of Facts* is America's top-selling reference book of all time, with more than 82 million copies sold. Published annually since 1868, this compendium of information is the authoritative source for all your entertainment, reference, and learning needs. Praised as a treasure trove of political, economic, scientific, and educational statistics and information by *The Wall Street Journal*, *The World Almanac* contains thousands of facts that are unavailable publicly elsewhere. In fact, it has been featured as a category on *Jeopardy!* and is routinely used as a go-to all-encompassing guide for aspiring game show contestants. The 2013 edition of *The World Almanac and Book of Facts*
