*American Studies* ,2004 **Habits of Devotion** James M. O'Toole,2018-07-05 For generations American Catholics lived out their faith through countless unremarkable routines Deep questions of theology usually meant little to them but parishioners clung to deeply ingrained habits of devotion both public and private Particular devotions changed over time waxing or waning in popularity but the habits endured going to mass on Sunday saying prayers privately and teaching their children to

do the same filling their homes with crucifixes and other religious images participating in special services blending the church's calendar of feast and fast days with the secular cycles of work and citizenship negotiating their conformity or not to the church's demands regarding sexual behavior and even diet It was religious practice carried out in daily and weekly observance that embodied their faith more than any abstract set of dogmas from the Introduction In *Habits of Devotion* four senior scholars take the measure of the central religious practices and devotions that by the middle of the twentieth century defined the ordinary week to week religion of the majority of American Catholics Their essays investigate prayer devotion to Mary confession and the Eucharist as practiced by Catholics in the United States before and shortly after the Second Vatican Council

*The Re-Enchantment of the West, Vol 2* Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an alternative spiritual re enchantment of society and culture

**The Problem of Slavery in Western Culture** David Brion Davis, 1988-10-20 Winner of several national awards including the 1967 Pulitzer Prize this classic study by David Brion Davis has given new direction to the historical and sociological research of society's attitude towards slavery Davis depicts the various ways different societies have responded to the intrinsic contradictions of slavery from antiquity to the early 1770s in order to establish the uniqueness of the abolitionists response While slavery has always caused considerable social and psychological tension Western culture has associated it with certain religious and philosophical doctrines that gave it the highest sanction The contradiction of slavery grew more profound when it became closely linked with American colonization which had as its basic foundation the desire and opportunity to create a more perfect society Davis provides a comparative analysis of slave systems in the Old World a discussion of the early attitudes towards American slavery and a detailed exploration of the early protests against Negro bondage as well as the religious literary and philosophical developments that contributed to both sides in the controversies of the late eighteenth century This exemplary introduction to the history of slavery in Western culture presents the traditions in thought and value that gave rise to the attitudes of both abolitionists and defenders of slavery in the late eighteenth century as well as the nineteenth century

Hopis and the Counterculture Brian Haley, 2024-10-29 This book addresses how the Hopi became icons of the followers of alternative spiritualities and reveals one of the major pathways for the explosive appropriation of Indigenous identities in the 1960s It reveals a largely unknown network of Native non Indian and neo Indian actors who spread misrepresentations of the Hopi that they created through interactions with the Hopi Traditionalist faction of the 1940s through 1980s Significantly many non Hopis involved adopted Indian identities during this time becoming neo Indians Exploring the new social field that developed to spread these ideas Hopis and the Counterculture meticulously traces the trajectories of figures such as Ammon Hennacy Craig Carpenter Frank Waters and the Firesign Theatre among others Drawing on insights into the interplay between primitivism radicalism stereotyping and identity Haley expands on concepts from scholars such as Roy Harvey

Pearce's notion of isolated radicals and Jonathan Friedman's observations regarding the ascendancy of primitivism amid global crises Haley scrutinizes the roles played by non Hopi actors and the timing behind the widespread popularization of Hopi religious practices

**Death and Religion in a Changing World** Kathleen Garces-Foley, 2014-12-18 This comprehensive study of the intersection of death and religion offers a unique look at how religious people approach death in the twenty first century Previous scholarship has largely focused on traditional beliefs and paid little attention to how religious traditions evolve in relation to their changing social context Employing a sociological approach *Death and Religion in a Changing World* describes how people from a wide variety of faiths draw on and adapt traditional beliefs and practices as they deal with death in modern societies The book includes coverage of newly emerging social and religious phenomena that are only just beginning to be analyzed by religion scholars such as public shrines the role of the media spiritual bereavement groups and the use of the Internet in death practices

**Christianizing Egypt** David Frankfurter, 2024-11-01 How does a culture become Christian especially one that is heir to such ancient traditions and spectacular monuments as Egypt This book offers a new model for envisioning the process of Christianization by looking at the construction of Christianity in the various social and creative worlds active in Egyptian culture during late antiquity As David Frankfurter shows members of these different social and creative worlds came to create different forms of Christianity according to their specific interests their traditional idioms and their sense of what the religion could offer Reintroducing the term syncretism for the inevitable and continuous process by which a religion is acculturated the book addresses the various formations of Egyptian Christianity that developed in the domestic sphere the worlds of holy men and saints shrines the work of craftsmen and artisans the culture of monastic scribes and the reimagination of the landscape itself through processions architecture and the potent remains of the past Drawing on sermons and magical texts saints lives and figurines letters and amulets and comparisons with Christianization elsewhere in the Roman empire and beyond *Christianizing Egypt* reconceives religious change from the conversion of hearts and minds to the selective incorporation and application of strategies for protection authority and efficacy and for imagining the environment
