Split A Child A Priest And The Catholic Church:

Split Mary C. Dispenza, 2014-11-05 At age seven Mary Dispenza was raped by her parish priest The event split Mary in two then vanished from memory Carrying an unaccountable sense of shame Mary clung to Church liturgy and dogma for support and entered the convent where for 15 years she lived as a nun separate from the world Decades later when a memory of the pedophile priest resurfaced Mary's will to survive and her quest to understand the unforgivable led the former nun to join forty five other men and women abused by priests in the largest ever successful lawsuit against the Catholic Church As scandals involving sexual abuse continue to roil the Catholic Church and survivors of abuse fight to make the Church atone for its sins each abused person must find a way to mend the schism inside **SPLIT** the story of Mary's journey to wholeness takes the reader from horrifying scenes of child abuse inside the unfamiliar world of the novitiate through the delicate and frightening process of accepting homosexuality and culminates in epic courtroom battles Readers seeking to understand how this terrible injustice happens and how so much has been kept secret for so long will find some answers in this honest memoir Mary Dispenza now an activist for ending the epidemic of abuse speaks passionately about one **SPLIT** we desperately need the one that separates the Church from its mantle of secrecy **The Dozier School for Boys** Elizabeth A. Murray, PhD, 2019-09-03 Some true crimes reveal themselves in bits and pieces over time One such case is the Florida School for Boys aka the Dozier School a place where rather than reforming the children in their care school officials tortured raped and killed them Opened in 1900 the school closed in 2011 after a Department of Justice investigation substantiated allegations of routine beatings and killings made by about 100 survivors Thus far forensic anthropologist Dr Erin Kimmerle and her team from the University of South Florida have uncovered fifty five sets of human remains Follow this story of institutional abuse the brave survivors who spoke their truth and the scientists and others who brought it to light **Child Sexual Abuse and the Catholic Church** Marie Keenan, 2013-04-01 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child

Mary McAleese, 2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church's 1983 Code of Canon law as it applies to children The Catholic Church is the world's largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention Mary McAleese wins Europe's richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world's most prestigious prizes the Alfons Auer Ethics Award from Tübingen University in Germany for her doctoral thesis on Children's Rights and Obligations in Canon Law *Story Of The World #2 Middle Ages Activity Book* Susan Wise Bauer, 2008-02-26

Healing the Racial Divide retrieves the insights of Dr Arthur Falls 1901-2000 for composing a renewed theology of Catholic racial justice Falls was a black Catholic medical doctor who dedicated his life to healing rifts created by white supremacy and racism He integrated theology the social sciences and personal experience to compose a salve that was capable of not only integrating neighborhoods but also eradicating the segregation that existed in Chicago hospitals Falls was able to reframe the basic truths of the Christian faith in a way that unleashed their prophetic power He referred to those Catholics who

promoted segregation in Chicago as believers in the mythical body of Christ as opposed to the mystical body of Christ The mythical body of Christ is a heretical doctrine that excludes African Americans and promotes the delusion that white people are the normative measure of the Catholic faith

Schooling and Scholars in Nineteenth-century Ontario Susan E. Houston, Alison L. Prentice, 1988-01-01
Nineteenth century educational reformers were fond of an agricultural metaphor when it came to the provision of more and better schooling even good land they argued had to be cultivated otherwise noxious weeds sprang up In this study of education in Ontario from the establishment of Upper Canada to the end of Egerton Ryerson's career as chief superintendent of schools in 1876 Susan Houston and Alison Prentice explore the roots of the provincial public school system set up to instill a work ethic and moral discipline appropriate to the new society as well as the beginnings of separate schools today the Ontario school system is once again the subject of intense and often bitter debate Many of the most contentious issues have deep and complex roots that go back to this era Houston and Prentice tell the story of how Ontario came to have a universal school system of exceptional quality and shed valuable light on an area of current concern

The Religious Divide Larry Squyres, 2023-12-11
Christianity has been around for over two thousand years So who's right and wrong regarding Catholic or Protestant beliefs What does the Bible say We look at some of the issues baptism and the correct way Purgatory is there such a place The immortal soul is it immortal after death Who are saints Are traditions equal to biblical scripture Is the rapture just a story or does it have another meaning or time Finally in *The Religious Divide* we look at some differences between Catholicism Protestantism and the Bible and come to a better understanding If you have ever had these questions this book is for you In addition this book includes references from where Catholicism takes its answers the Vulgate Bible and the writings of men where Protestantism gets its answers from the King James Version and what does the Bible have to say on these subjects Whether you're curious or want to know get your copy of *The Religious Divide* today *The Religious Divide* is one of the most informative books I have ever read when it comes to understanding the Bible and the differences and similarities between various denominations The author explains a point gives contrasting points and then adds scriptures that make the ideas between them more understandable I love that this author encourages you to find the truth in your heart while helping you figure out the pieces that can be somewhat confusing I recommend *The Religious Divide* to anyone who wants and needs a better understanding of what is found in the Bible wants more clarity on what's right what may be considered wrong and how to find their place in this world through the scriptures Amy Raines Reader's Choice

Congress,1990 **Chicago Catholics and the Struggles within Their Church** Andrew M. Greeley,2017-09-08 What might one expect to learn from a probability sample study of the Archdiocese of Chicago Can one form a national portrait of Catholics in the United States from data about Chicago Certainly Chicago is unique in its judgments about its clergy As the eminent Catholic sociologist Andrew M Greeley argues it is this very difference that makes rigorous comparisons between Chicago Catholics and other Catholic subpopulations possible He suggests that history and geography provide a basis for understanding the development of the Catholic Church not just in this specific area but also in the entire United States The Catholic Archdiocese of Chicago it composed of two counties Lake and Cook At the same time the Catholic population has been pushed up against the boundary of DuPage County by racial change in the city so that much of the west and south side Catholic population of the city has moved into the southern and western suburbs In this research area half of the Catholics have attended college and half of those have attended graduate school Thus the conventional image of Chicago as a mix of ethnic immigrant neighborhoods has to be modified although there are still many new immigrants attending special immigrant parishes Greeley argues that the official church in Chicago and by inference elsewhere has not recognized the community structures that permeate the neighborhoods that it does not grasp the religious stories that shape its peoples identity and it does not understand the intense if selective loyalty of the archdiocese to its leadership As part of this argument Greeley includes transcriptions of in depth interviews with former Catholics This study provides a fascinating window into the world of Catholicism in twenty first century urban America **Catholic World** ,1892 *Can't Catch a Break* Susan Starr Sered, Maureen Norton-Hawk,2014-09-12 Based on five years of fieldwork in Boston Can t Catch a Break documents the day to day lives of forty women as they struggle to survive sexual abuse violent communities ineffective social and therapeutic programs discriminatory local and federal policies criminalization incarceration and a broad cultural consensus that views suffering as a consequence of personal flaws and bad choices Combining hard hitting policy analysis with an intimate account of how marginalized women navigate an unforgiving world Susan Sered and Maureen Norton Hawk shine new light on the deep and complex connections between suffering and social inequality
