Language Planning in Primary Schools in Asia Richard Baldauf,Robert Kaplan,Knonko Kamwangamalu,Pauline Bryant,2013-09-13 In foreign language education decisions must be taken on what languages to teach who will teach them in which schools i e all only urban only rural in which grades the number of hours a week and the cost involved This book explores the answers to these questions across a number of Asian polities It illustrates why some of the efforts undertaken are successful and why some are not why despite significant investments of time and resources some students do not seem to acquire the languages being taught and why some teachers responsible for instruction in the designated foreign languages have problems achieving fluency in the designated language or have other language teaching difficulties It suggests some strategies various polities might attempt to achieve their stated language learning objectives This book was originally published as a special issue of Current Issues in Language Planning *Made in Thailand* Viriya Sawangchot,2025-02-25 Made in Thailand Studies in Popular Music serves as a comprehensive and thorough introduction to the history culture and musicology of twentieth and twenty first century

popular music in Thailand The volume consists of essays by local experts and leading scholars in Thai music and culture and covers the major figures styles and social contexts of popular music in Thailand Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance Discussing musical development and shift of sociocultural spheres of Thai popular music among nationhood media platforms and identity politics from the early years to the present these scholars explore and rethink the connections between the development of Thai popular music and politics of music genres in Thailand Made in Thailand includes a general introduction to Thai popular music followed by essays organized into four thematic sections Histories Contemporary Issues Politics of Sound and Region and Cultural Politics Offering a comprehensive look at popular music phenomena in the country Made in Thailand is an essential resource for scholars and students in the fields of popular music studies ethnomusicology popular musicology Asian studies and Thai studies *Beyond Politics* Michael P. Vandenbergh,Jonathan M. Gilligan,2017-12-21 This book argues that government action alone will not prevent dangerous climate change but that private governance can fill the gap

Education in South-East Asia Colin Brock,Lorraine Pe Symaco,2011-05-09 This book on education in South East Asia is the very first of its kind to comprehensively cover and discuss the education systems and issues in all the countries in the region the ten member nations of the Association of South East Asian nations ASEAN plus Timor Leste The eleven chapters on country case studies are written by education country experts and give the readers an overview of each country s education system while also highlighting issues currently significant to each system There are also thematic chapters on selected issues reckoned to be significant in the region such as gender education and development higher education language policy quality assurance and sustainable development This book is a significant contribution to academic literature in this field in that the South East Asian region is in general one of the leading zones of the developing world containing within it advancing economies such as Brunei and Malaysia and a key global hub Singapore Even the poorer countries are showing signs of significant advance The region also contains the most populous Islamic country in the world Indonesia and examples of the educational legacies of a variety of forms of European and American colonialism The book is therefore a source of reference to better understand education in a region where diverse religious political and cultural aspects are found and interrelate in a form of serious co operation

Handbook on the Water-Energy-Food Nexus Brouwer, Floor,2022-08-12 This Handbook provides a comprehensive overview of how water energy and food are interconnected comprising a coherent system the nexus It considers the interlinkages between natural resources governance processes seeking coherence among water energy and food policies and the adoption of transdisciplinary approaches in the field **The Global Development Of Policy Regimes To Combat Climate Change** Alex Bowen,Nicholas Stern,John Whalley,2014-04-01 The year 2015 will be a landmark year for international climate change negotiations Governments have agreed to adopt a universal legal agreement on climate change at the 21st Conference of Parties COP21 to the United Nations Framework Convention on Climate Change UNFCCC

in Paris in 2015 The agreement will come into force no later than 2020 This book focuses on the prospects for global agreement how to encourage compliance with any such agreement and perspectives of key players in the negotiations the United States India China and the EU It finds that there is strong commitment to the established UN institutions and processes within which the search for further agreed actions will occur There are already a myriad of local and regional policies that are helping to reduce greenhouse gas emissions and build mutual confidence However the chapters in the book also highlight potential areas of discord For instance varying interpretations of the common but differentiated responsibilities of developing countries agreed as part of the UNFCCC could be a major sticking point for negotiators When combined with other issues such as the choice of consumption or production as the basis for mitigation commitments the appropriate time frame and base date for their measurement and whether level or intensity commitments are to be negotiated the challenges that need to be overcome are considerable The authors bring to bear insights from economics public finance and game theory

Social Protection and Social Development Julie L. Drolet, 2013-11-19 The Social Protection Floor Initiative promotes universal access to essential social transfers and services Presently 80% of the global population does not enjoy a set of social guarantees that allows them to deal with life's risks such as unemployment ill health and natural disasters This book explores the importance and necessity of social protection including key concepts universal principles and human rights the need for context specific policies the role of adaptive climate change and country examples Social protection refers to a set of essential transfers services and facilities that all citizens everywhere should enjoy to ensure the realization of the rights embodied in human rights treaties The Social Protection Floor aims to facilitate and accelerate the introduction or strengthening of sustainable context specific social protection systems Experiences from countries around the world that have implemented components of the Social Protection Floor provide evidence of its feasibility affordability and impact The promise and success of social protection is important for transformative change social inclusion and alliance building and raises critical questions about current neoliberal austerity measures This book calls for a comprehensive multi dimensional integrated and innovative policy mix that recognizes the interdependency between demographic shifts employment labour migration social protection economic development and the environment
