Status Of Residence 2015:

2015 Living Conditions Monitoring Survey (LCMS) Report ,2016 **Protest Movements in Asylum and Deportation** Sieglinde Rosenberger,Verena Stern,Nina Merhaut,2018-04-18 This open access book deals with contestations from below of legal policies and implementation practices in asylum and deportation Consequently it covers three types of mobilization solidarity protests against the deportation of refused asylum seekers refugee activism campaigning for residence rights and inclusion and restrictive protests against the reception of asylum seekers By applying both a longitudinal analysis of protest events and a series of in depth case studies in three immigration countries this edited volume provides comparative insights into these three types of movement in Austria Germany and Switzerland over a time span of twenty five years Embedded in concepts of political change limited state sovereignty and migration control the findings shed light on actors repertoires and the effects of protest activities The contributions illustrate how local contexts national political settings issue specifics and social ties lead to distinctly different forms of protest emergence dynamics and strategies Additionally they give a profound understanding of the mechanisms and constellations that contribute to protest success both in terms of preventing deportations of individuals as well as changing policies In sum this book constitutes a major contribution to empirically informed theoretical reflections on collective contestation in the fields of refugee studies and social protest movements *Mauritius Immigration Policies, Laws and Regulations Handbook - Strategic Information and Regulations* IBP, Inc.,2018-09-29 *Mauritius Immigration Laws and Regulations Handbook Strategic Information and Basic Laws* [The Exclusion of Immigrants from Welfare Programs](#) Edward A. Koning,2022-08-31 In light of the increase in cross border mobility and the recent political climate surrounding immigration related issues understanding the politics and policies of immigrants access to welfare programs is more relevant than ever Systematic analysis of this subject has been held back however by the lack of a cross national index of immigrant exclusion from social benefits over time The Exclusion of Immigrants from Welfare Programs fills this gap by taking advantage of a novel and original measure called the Immigrant Exclusion from Social Programs Index IESPI which includes twenty five indicators regarding immigrants access to seven different social programs for twenty two countries at four moments in time The book includes an assessment of key trends an investigation of the origins and consequences of variation and four detailed country case studies of particular theoretical interest Norway Austria Portugal and the United States Presenting a cross national index to facilitate and encourage systematic cross country comparisons this book provides insights and data that will allow researchers to probe such questions as the degree to which countries include or exclude immigrants in developing public policies why some countries are more exclusionary than others and what the future consequences of this exclusion might be **INCOME TAX LAW & ACCOUNTS (Assessment Year 2020-21)** Sojan Joseph ,2020-08-11 Taxation The word tax is based on the Latin word Taxo which means to estimate Tax means to impose a financial charge or other levy upon a taxpayer on an individual or legal

entity by a state or the functional equivalent of a state such that failure to pay is punishable by law It is imposition of compulsory levies on individuals or entities by government Taxes are levied in almost every country of the world primarily to raise revenue for government expenditures although they also serve other purposes as well In modern economies taxes are the most important source of government revenue Taxes differ from other sources of revenue in that they are compulsory levies and are unrequited i e they are generally not paid in exchange for some specific thing such as a particular public service the sale of public property or the issuance of public debt While taxes are presumably collected for the welfare of taxpayers as a whole the individual taxpayer s liability is independent of any specific benefit received
