Bravely Default II Guide Filix Bondola,2021-03-04 Welcome to our Bravely Default II walkthrough and guide. With this guide, you can expect a full walkthrough from beginning to end, with strategies for every boss fight in the game, locations of all Treasure Chests, all sidequests and much more. Bravely Default 2 Guide includes a complete, detailed walkthrough including boss strategies, job unlock locations and statistics, information on your favorite characters, collectibles, cheats and secrets, and even deep dives into specific game mechanics. After both of the beautiful games that came out for 3DS, the series came to a halt, and after 5 years of wait, we finally got the next game. This game is a completely separate story from the first 2, with different cast, different story, and even different art style. After many MANY RPGs that I've played during 2020, playing Bravely Default 2 was a hard change but not a bad one. Bravely Default II is a VERY RPG game, and by that, I mean there are save points in dungeons, there are tents to heal up, tons of weapons and jobs, etc. This is a game where you cannot save anywhere where save points won't heal your HP and MP, and when you need to grind to get stronger.
