## STEMscopes

### Student Journal Activity Pack

At STEMscopes Learning, we want students to experience science in rich and engaging ways. That's why in our STEMscopes Science curriculum, we developed a special journal and activity pack that allows students to explore phenomena and register their thoughts and effort in The Student Journal and Student Journal.

In every grade of STEMscopes Learning, the STEMscopes (SE) Instructional Model has accompanying Student Journal features that let students learn, discover, formulate, experiment, and create.

This journal of thought and activity shows a spotlight on the invaluable connection between theory and practice when learning science. Helping students use the major science of the world around them.

Take your students on the journey of Science Exploration and watch them grow!
