William D. Crump, 2019-03-11 Since the early 20th century animated Christmas cartoons have brightened the holiday season around the world first in theaters then on television From devotional portrayals of the Nativity to Santa battling villains and monsters this encyclopedia catalogs more than 1 800 international Christmas themed cartoons and others with year end themes of Hanukkah Kwanzaa and the New Year Explore beloved television specials such as A Charlie Brown Christmas theatrical shorts such as Santa's Workshop holiday episodes from animated television series like American Dad and The Simpsons feature films like The Nutcracker Prince and obscure productions such as The Insects Christmas along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Penal Law, 5737-1977 Israel, 1994 **Angela McLeod** Angela McLeod, 2019-06-25 This book tells the story of Christmas a little known but outstanding man whose achievements far eclipsed those of his famous father Queen Elizabeth s favourite the Earl of Leicester Unlike similar works it is a biographical novel not a biography Robert Dudley's legitimacy remains in doubt to this day though it was recognised by Charles I Charles II The Austrian Emperor and the Pope Here his life has been extensively researched and the man speaks for himself through historical fact His achievements for his era and position were varied and unique and he died the Duke of Northumberland in what is now the Villa Castello near Florence Perhaps because he left his own country when Star Chamber closed his legitimacy case he has not been given his proper place in English history He did not go alone his beautiful cousin Elizabeth Southwell disguised as his page went with him and their twelve children were born in Tuscany Apart from his achievements Robert Dudley's private life a positive minefield needs little

invention His powerful personality shouts through his actions Anyone who enjoys Elizabethan and Jacobean history will appreciate the story of this gifted buccaneer of a man who built four ships and sailed them to Trinidad fought as an Admiral at Cadiz and took possession of Kenilworth Castle by the age of twenty two Later while serving the Medici rulers of Tuscany as Great Chamberlain and rebuilding their navy he wrote and left to posterity a definitive six volume work on all naval and sea faring matters Dell Arcano Del Mare copies of which remain Chambers' Edinburgh Journal, 1843 The Castles of the Rhine Robert R. Taylor, 2009-08-04 Far from being mere antiquarian or sentimental curiosities the rebuilt or reused fortresses of the Rhine reflect major changes in Germany and Europe during the nineteenth and early twentieth centuries Taylor begins The Castles of the Rhine with a synopsis of the major political social and intellectual changes that influenced castle rebuilding in the nineteenth century He then focuses on selected castles describing their turbulent histories from the time of their original construction through their destruction or decay to their rediscovery in the 1800s and their continued preservation today Reading this book is equivalent to looking at history though a romantic nationalist kaleidoscope Amply illustrated with maps and photographs The Castles of the Rhine is a wonderful companion for anyone with dreams or experience of journeying along the Rhine The Inner Story of the New International Version Murray J. Harris, 2023-09-28 What strange event was it in 1955 in Portland Oregon that prompted the creation of a translation of the Bible into modern English that eclipsed the well known and much loved King James Version KJV as the most widely read copy of the Bible And what was the unique process involving more than a hundred scholars from a wide variety of Christian denominations that led to the publishing of the New International Version in 1978 that has now sold over five hundred million copies In this book you will find the fascinating testimony of one of the original NIV translators that affords an insight into the toils and triumphs of those scholars It will give you a fresh appreciation of the estimated two hundred thousand man hours that went into the production of this influential version of Holy Scripture The Poetical Works of Sir Walter Scott, Bart Walter Scott, 1841
