**Practice Resurrection Study Guide** Eugene H. Peterson, Peter Santucci, 2010-05-17 Though bringing people to new birth in Christ through evangelism is essential says Peterson isn't it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the quiet obscure conditions in which growth takes place and building maturity in Christ too often gets relegated to footnote status in the text of our lives In Practice Resurrection Peterson brings the voice of Scripture especially Paul's letter to the Ephesians and the voice of the contemporary Christian congregation together to unpack what it means to fully grow up to the stature of Christ Peterson's robust discussion will move readers to restore transformed Christian character to the center of their lives This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of Practice Resurrection A Conversation on Growing Up in Christ Peter Santucci here breaks up Peterson's book into thirteen sessions each of which contains a summary select quotes to consider questions for interaction and a prayer drawn from the text of Ephesians that is covered in the corresponding book chapter Bonhoeffer:
