Stations Of The Cross For Priests And Seminarians:

Stations of the Cross for Priests and Seminarians Ralph Esposito, 2014-11-13 Today's priests are highly educated in theology and spirituality. They are also wise enough to constantly be challenged in this regard. Meditation is the key to this process.

The Institution of the Seminary and the Training of Catholic Priests in South-Eastern Nigeria (1885-1970) Angelo Chidi Unegbu, 2019-05 Today we can no longer hide under the pretence that the grace of God alone suffices to make one a good priest. A close study of the history of priestly formation has shown that not just the training of priests can ensure an authentic priest product rather a continuous effort to adapt the training to the current world situation so that priests would be in the position to discharge their duties effectively. Such readiness to adaptability should of course not lose sight of the meaning and function of the priest as revealed in the person of Jesus: a service to the world. In the bid to assess the models for the training of priests in South eastern Nigeria the author using a historical critical method traced the history of the models and events that shaped the current modules for the training of priests in South eastern Nigeria. At the end of the historical research he proffered some suggestions for improvement, amendment and solidification of the training of priests in the area. As one of the younger African churches, the examination of the training of priests in South eastern Nigeria will also serve as a paradigm or typology for understanding the dynamics and the process of training of priests in other African countries since most of these local churches share relatively similar historical, cultural, economic and socio-political circumstances.

Confessions of a Gay Priest Tom

Rastrelli,2020-04-15 Tom Rastrelli is a survivor of clergy perpetrated sexual abuse who then became a priest in the early days of the Catholic Church s ongoing scandals Confessions of a Gay Priest divulges the clandestine inner workings of the seminary providing an intimate and unapologetic look into the psychosexual and spiritual dynamics of celibacy and lays bare the formation system that perpetuates the cycle of abuse and cover up that continues today Under the guidance of a charismatic college campus minister Rastrelli sought to reconcile his homosexuality and childhood sexual abuse When he felt called to the priesthood Rastrelli began the process of priestly discernment Priests welcomed him into a confusing clerical culture where public displays of piety celibacy and homophobia masked a closeted underworld in which elder priests preyed upon young recruits From there he ventured deeper into the seminary system seeking healing hoping to help others and striving not to live a double life Trained to treat sexuality like an addiction he and his brother seminarians lived in a world of cliques competition self loathing alcohol hidden crushes and closeted sex Ultimately the formation intended to make Rastrelli a compliant priest helped to liberate him **Stations of the Cross** Dimitriï Vasil'evich Konstantinov,1984 *History of Mt. St. Mary's Seminary of the West, Cincinnati, Ohio* Michael J. Kelly,James M. Kirwin,1894 One Happy Old Priest Thomas K. Sullivan,2010-03-17 In One Happy Old Priest Father Thomas Sullivan looks back on his eighty years as a catholic a life that includes both family and scores of fine seminarians priests nuns and parishioners With an honest and rollicking writing style Father Sullivan recreates moments that stand out in his childhood seminary education priest training and life as a foreign missionary and pastor stateside One Happy Old Priest is one mans look at how the church has cultivated preserved and navigated decades of sometimes unwelcome change The volume includes photographs of family priests nuns and parishioners An appendix lists Columban Fathers mentioned in the text a testament of the many who dedicated their lives to the service of the church The epilogue draws attention to the man Father Sullivan believes represents the best of what the church has to offer then and now Thou Shalt Not Bill Dantini,2017-11-22 Thou Shalt Not is a story of faith forgiveness and spiritual redemption The prime mover is Father Thomas Delaney an errant priest who in the throes of renouncing his vocation works a miracle The story is told against the backdrop of a Roman Catholic Church witnessing a 40 percent falloff in ordinations since 1965 child abuse evolving sexual orientation among its clergy and the stifling vows of celibacy and obedience A 38 year old nonconformist Father Delaney is torn between the vows he took at his Boston seminary and the debilitating doubts that plague him Unable to rationalize his commitment to the centuries old dictates of the Vatican he lashes out against everything he once held sacred including his vow of celibacy Delaney reaches a point where he can no longer define what it is to be a priest He suspects that his salvation can only come at the hands of divine intervention in a booming voice from a billowing cloud that tells him unequivocally which way to go *The Image of God* Eleonore Stump,2022 Eleonore Stump explores the role and value of suffering in human life by addressing the problem of evil in Christian ethics the role of relationships in human flourishing and the question of what constitutes one s true self

Students as Designers of Their Own Life Curricula Vincent Izuegbu, 2011-01-01 The idea of life curriculum came as a result of looking back at my past in relation to my studies in curriculum I learn by reconstructing my past in the present to influence my future and students indeed everyone can as well do so Constructing a curriculum of life is also a continuous process of building renewing refining and adapting self defining values ideals beliefs ideas ethics and convictions to the growing changes in the environment Students obtain different curricula from various environments Through a methodic process of thoughtful deliberation students can reconstruct and integrate the different curricular experiences of their lives To help students achieve this there is the need to broaden the conception of curriculum to include life experiences in a way that interweaves school and outside school curriculum in the classrooms And this can transform curriculum into a process of constructing life

Brooks Holifield, 2007-09-25 In *God's Ambassadors* E Brooks Holifield masterfully traces the history of America's Christian clergy from the seventeenth to the twenty first century analyzing the changes in practice and authority that have transformed the clerical profession Challenging one sided depictions of decline in clerical authority Holifield locates the complex story of the clergy within the context not only of changing theologies but also of transitions in American culture and society The result is a thorough social history of the profession that also takes seriously the theological presuppositions that have informed clerical activity With alternating chapters on Protestant and Catholic clergy the book permits sustained comparisons between the two dominant Christian traditions in American history At the same time *God's Ambassadors* depicts a vocation that has remained deeply ambivalent regarding the professional status marking the other traditional learned callings in the American workplace Changing expectations about clerical education as well as enduring theological questions have engendered a debate about the professional ideal that has distinguished the clerical vocation from such fields as law and medicine The American clergy from the past four centuries constitute a colorful diverse cast of characters who have in ways both obvious and obscure helped to shape the tone of American culture For a well rounded narrative of their story told by a master historian *God's Ambassadors* is the book to read *Official Directory*, 1886 *Americans warned of Jesuitism, or the Jesuits unveiled* Jean Claude PITRAT, 1851 *Medjugorje The Mission* Wayne Weible, 1994-12-01 Travel with Wayne Weible as he witnesses miracles of healing and reconciliation worldwide and in his own family Be challenged to find your own heart's mission *Direk* Clodualdo Jr del Mundo, Shirley O.
