This includes if you are over 18 and have been included in the visitor visa application of your partner or parent.

You must sign Section A to:

- show you understand and agree to the statements about your application and any visa you may be granted, and
- agree to the application being submitted.

You must sign EITHER Section B or Section C to indicate you have given someone else the authority to submit the application online for you:

Section A: Visitor Visa Declaration

The information you provide must be true, correct and complete

I have provided true and correct answers to the questions in this form, and uploaded all of the documents required for this application (including any translations of documents that are required). The documents I have uploaded are genuine, and they accurately reflect the answers I have given to the questions in this form.

I understand that I may be required to provide additional information, including attending a medical examination and providing my passport to Immigration New Zealand, before my application is decided. Any additional information requested will form part of my application. If additional information is requested, and I do not provide it within the timeframes provided, my application may be declined.

I will inform Immigration New Zealand of any relevant fact or change of circumstances that may affect the decision on my application for a visa (including because I may no longer meet the criteria for the visa for which I am applying), or affect the decision to grant entry permission based on the visa for which I am applying.

Examples of matters you should inform Immigration New Zealand about include a change in employment or partnership status, a change in your health, or a new character issue.

I understand that by submitting this application, I am providing information to an immigration officer. If false or misleading information is submitted, including by my agent, my application may be declined without further warning. I may be denied entry to New Zealand or made liable for deportation. If my visa has already been approved, it may be cancelled. It is an offence under the Immigration Act 2009 to provide false or misleading information in relation to a visa application, and I may be prosecuted.

You must only receive immigration advice from a person who is licensed, or exempt from licensing

I understand that if I have received immigration advice from any person, and that person is not licensed under the Immigration Advisers Licensing Act 2007 when they should be, Immigration New Zealand will not further process my application. For more information, see www.laa.govt.nz
