Victor's niece belly proclaims his love of both food and life. Straight out, like a woman five months pregnant! I often envy my niece having Victor as a father, for his generosity, high spirits, and good nature help make his house a happy one. And Victor has been rewarded with an abundance of good fortune. People say that he was born with a gold spoon in his mouth, but that is probably just their way of deifying his genius for business. As a boy, Victor took a job pouring ten-pound bags of coffee and tobacco into smaller metal cans. Then he quickly worked his way up to assistant manager of that business. He now owns a small china store.
