

Study Guide: The Secret Life of Bees Sue Monk Kidd

1. BRIEFLY OUTLINE THE PLOT.

2. RESEARCH WHERE THE IDEAS OF HAVING BEES IN THIS BOOK DEVELOPED.

Sue Monk Kidd tells us that while a child, bees lived in the wall of the family's guest bedroom and regularly would escape the room (whether the door was closed or not) and fly about the house. While in the house, they would make honey and it would leak onto the floor. Later, she would visit an apiary and learn much of the bee culture. Kidd was awed by the bees' vibrating hum and mystery; it led to her researching the life of bees. She discovered the importance of the queen, the role of the worker bees, the "moods" of bees, and some of the idiosyncracies they displayed.

Bees have a lore and legend about them; they are symbols of the soul, of death, or rebirth. Even the Virgin Mary has been represented and thought of as a "Queen Bee"; in this book, Kidd sees her as a queen bee of a hive of women in a pink house.

3. BRIEFLY LIST AND CREATE A PORTRAIT OF THE MAIN CHARACTERS.
