Strategic Corporate Social Responsibility David Chandler, 2022-09-12 Strategic Corporate Social Responsibility Sustainable Value Creation Sixth Edition redefines corporate social responsibility CSR as being central to the value creating purpose of the firm Based on a theory of empowered stakeholders this bestselling text argues that the responsibility of a corporation is to create value broadly defined The primary challenge for managers today is to balance the competing interests of the firm s stakeholders understanding that what they expect today may not be what they will expect tomorrow This tension is what makes CSR so complex and demanding but it is also what makes CSR integral to the firm s strategy and day to day operations In this new Sixth Edition author David Chandler explores issues around COVID 19 the BLM movement the supply chain crunch and the great resignation Reaganism in Literary Theory Jeremiah Bowen, 2020-07-15 Reaganism is a discourse of devotion and disqualification combining a neoliberal negative theology of the market with a neoconservative demonization of opponents Reagan s personality cult shelters the aggressivity of a war of all against all by representing the market as a moralistic standard of perfection a representation of goodness and freedom In literary theory and criticism a homologous valuative system centered itself on the canon representing culture as a study of perfection Paul de Man argued for the displacement of this positive moralistic reference but his proposals ultimately replace it with a negative moralistic reference to literariness De Man s premises have been perpetuated in subsequent theory by persistent misrecognitions of dialectic as suspicious hermeneutics of materialism as reference to materiality and of demands for democratic equity as identity politics Tracing this motivated reasoning through misreadings of Eve Sedgwick s critique of conspiracy theory and Edward Said s secular criticism we are led back to the unexamined premises of Paul de Man s negative moralism and the opportunistic competition of academic careerism **AKASHVANI** All India Radio (AIR), New Delhi , 1984-04-16 Akashvani
