A land without rules no kingdoms no one to lead and no one willing to follow Green ogres can be found guarding the borders of the Unruly where dragon eggs cursed by a witch's brew are incubated It is a place of continual darkness Away from the edges and deep into the interior is the Land of Endings A place where rolling hills green valleys deep forests and kingdoms fill the land This is where Auggie Freddy and Thaddeus live with their families Some say this is a place of make believe and fairy tales but for them it is simply home Come and join in the adventures of these young boys as they grow and learn life's lessons in the remarkable world of Aught
