Teaching the Teacher James F. Moore, 2007-07 How many educators think they are going to change the world only to grow frustrated over the pace of change in a school system Teaching is a challenging profession and according to Moore it is a career in which one often questions whether the challenges are worth the rewards Teaching the Teacher details the personal reflections and lessons educator James Moore learned over more than twenty years as he journeys full circle from questioning a major life decision to feeling at peace with his career choice Moore emphasizes that too often teachers become caught up in a world packed with lesson plans parent phone calls staff meetings and papers to grade and forget that they should be learning along with their students Beginning with the story of his first job interview and the racial tension he encounters in the hallway as a new teacher Moore weaves in many anecdotes about students colleagues and schools while sharing valuable lessons learned about his career Whether you just graduated from college or are an experienced teacher Moore will help you realize that there is much more to an education than the standard curriculum covered in schools today

A Practice that Works Steven M. Harris, Ph.D, David C. Ivey, Ph.D, Roy A. Bean, Ph.D., 2013-02-01 In the advent of managed care and the continuing decline in reimbursement felt across the various disciplines of mental health have had profound impacts upon the quality and quantity of care in the field As it has become increasingly difficult for a practitioner in private practice to provide a satisfactory level of care while earning a living in the process many clinicians have become more innovative in the services they offer their clients This book pulls together a group of mental health professionals who have branched out into new markets and services A Practice that Works represents an anthology of new knowledge in the field as chapter contributors describe in revealing detail their own innovative techniques After first describing the idea behind a strategy such as Wilderness Therapy Programs the editors discuss the logistics of billing issues pertinent to the strategy and provide practical steps to its implementation follow through and development Finally each chapter includes a testimonial from the editors before considering issues such as any other implications of the strategy how the strategy can fit into one's larger therapeutic model and how this new way of

thinking has impacted the author's life and practice This timely book should appeal to professionals in all areas of the mental health fields and is written in a general style that will not turn any of them away from the innovative lessons to be gleaned from such a unique compilation **American Education**, 1984 **Wholehearted School Leadership** Kathryn Fishman-Weaver, 2025-06-27 Relationships are the heart of great teaching great leadership and our greatest predictor of achievement This book provides you with the tools and a values based framework to ensure you're prioritizing learning relationships and rewiring your school for courage justice and connection Each chapter includes strategies and reflective exercises to guide your leadership work Written by an educational administrator and researcher with experiences in intercultural and technology mediated contexts this exciting new book provides a compelling vision for the complex and evolving landscape of schools Refreshingly honest and relevant this book will make you laugh think notice and prioritize what matters most in schools student and those who support them It is a must read title for school leaders and a powerful choice to read with your leadership team *The Schoolboy Saint. A Sketch of the Life of Decalogue de la Perrie. (The Facts ... Supplied by a Memoir Written by the Abbé Proyart, in 1774.).* Elizabeth Harcourt Mitchell, 1875 **Fifty-two Five Minutes' Sermons.
