Berdine, 2020-11-25 This fascinating account highlights the extent the world's major powers will go to as they seek to insure their own interests and agendas despite the wishes of those whose countries they invade and occupy The Accidental Tourist profiles Wilfrid Scawen Blunt's involvement in the so called Arabi Revolt in 1882 It addresses Blunt's tireless efforts on behalf of the Egyptian Nationalists to mediate the differences between Britain and Egypt and prevent a British invasion of Egypt It highlights what amounted to a government cover up of the actions of certain governmental officials to precipitate the invasion by falsifying intelligence

information and manipulating the press It also takes to task the scholarly tradition of maligning Blunt and questioning the accuracy of his version of the events of 1882 Blunt was branded a traitor in the House of Commons This book was written to set the record straight It is ideal reading for those interested in the field of Middle Eastern Imperial or Colonial history and will provide readers with a better understanding of the real story of imperialism that went on at the time and is still going on in the Middle East today A Jewish Guide in the Holy Land Jackie Feldman,2016-04-11 For many Evangelical Christians a trip to the Holy Land is an integral part of practicing their faith Arriving in groups most of these pilgrims are guided by Jewish Israeli tour guides For more than three decades Jackie Feldman born into an Orthodox Jewish family in New York now an Israeli citizen scholar and licensed guide has been leading tours interpreting Biblical landscapes and fielding questions about religion and current politics In this book he draws on pilgrimage and tourism studies his own experiences and interviews with other guides Palestinian drivers and travel agents and Christian pastors to examine the complex interactions through which guides and tourists co produce the Bible Land He uncovers the implicit politics of travel brochures and religious souvenirs Feldman asks what it means when Jewish Israeli guides get caught up in their own performances or participate in Christian rituals and reflects on how his interactions with Christian tourists have changed his understanding of himself and his views of religion **Cambridge Certificate of Proficiency in English** University of Cambridge. Local Examinations Syndicate,2002 **Transatlantic Studies** Will Kaufman,Heidi Slettedahl Macpherson,2000-10-11 Although our age has become host to a number of academic disciplines called area studies including for example African Studies and American Studies these divisions do not capture the truly unique relationship of the lands joined by the Atlantic Ocean Accordingly a new area called Transatlantic Studies has emerged This seminal work attempts to define clearly the term Transatlantic Studies locate Transatlantic studies academically supply the field s critical perspective discuss issues of globalization migration and the law The collection is appropriately international and inter disciplinary
