Deep Space Nine Companion Terry J. Erdmann, Paula M. Block, 2000 Lavishly illustrated with a wealth of rare photos and drawings this is the first and only fully authorized comprehensive companion to seven seasons of the television show TV Guide called the best acted written produced and altogether finest of the four Trek series

To Boldly Stay Sherry Ginn, Michael G. Cornelius, 2022-05-13 Despite the fact that Star Trek Deep Space Nine ended over twenty five years ago there has yet to be a stand alone assessment of the series This collection corrects that omission examining what made Deep Space Nine so unique within the Star Trek universe and how that uniqueness paved the way for an altogether new entirely different vision for Star Trek If the Star Trek slogan has always been to boldly go where no one has gone before then Deep Space Nine helped to

bring in a new renaissance of serialized television that has become normal practice Furthermore Deep Space Nine ushered in critical discussions on race gender and faith for the franchise science fiction television and American lives It relished in a vast cast of supporting characters that allowed for the investigation of psychosocial relationships from familial issues to interpersonal and interspecies conflict to regional strife that the previous Star Trek series largely overlooked Essays explore how Deep Space Nine became the most richly complicated sci fi series in the entire Star Trek pantheon **Cinefantastique**,2005 *Star Trek and the Tragic Hybrid* Carolyn Burlingame-Goff,2024-06-06 Spock Data Worf B Elanna Torres Seven of Nine Odo Michael Burnham Soji Many of Star Trek s most beloved characters are children of two worlds the products of competing biologies materials and cultures Their popularity is unsurprising authors mine conflicted identities for dramatic effect and viewers see their own struggles reflected in the challenges of individuals who never seem to quite fit in This book demonstrates that the tradition is not new Spock and his fellow hybrids have their roots in anti slavery literature Abolitionist authors introduced protagonists who were both Black and White yet not fully accepted as either Divided at their core the attempts of these noble yet tortured individuals to bridge their two races inevitably ended in tragedy Gene Roddenberry and his successors thrust the character type into the future using it to explore the evolving racial attitudes of their times Star Trek s tragic hybrids have asked audiences to see beyond color to embrace multiculturalism to accept mixed race identity and finally to acknowledge the consequences of systemic oppression [Fighting for the Future](#) Sabrina Mittermeier,Mareike Spychala,2020 This volume on Star Trek Discovery brings together eighteen essays and one interview from a variety of disciplines including cultural and media studies literary studies history and political science The essays examine the narratives and production history of the new series while situating it within the larger Star Trek franchise **Buffy Meets the Academy** Kevin K. Durand,2014-01-10 This book presents serious academic scholarship on Buffy the Vampire Slayer It differs from other works because it uses Buffy as a primary text and not as a secondary instrument to explore other concepts In doing so it demonstrates that popular culture studies should be approached with the same serious attention that is paid to classic philosophy and other long established fields Essays assemble the Buffy canon and explore how Buffy treats Shakespeare comics power sisterhood apocalyptic revisionism folklore feminism redemption patriarchy identity and education Instructors considering this book for use in a course may request an examination copy here *The Buffyverse Catalog* Don Macnaughtan,2015-08-21 This bibliographic guide covers the Buffyverse the fictional worlds of the acclaimed television series Buffy the Vampire Slayer 1997 2003 and its spinoff Angel 1999 2004 as well as the original Buffy feature film of 1992 It is the largest and most inclusive work of its kind The author organizes and describes both the original texts of the Buffyverse episodes DVDs novels comic books games and more and the secondary materials created about the shows including books essays articles documentaries dissertations fan production and websites This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible authoritative and

comprehensive survey of the subject There She Goes Again Aviva Dove-Viebahn, 2023-12-15 *There She Goes Again* interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By questioning how these franchises reimagine their protagonists over time the book reflects on the role that gendered exceptionalism plays in social and political action as well as what forms of knowledge and power are presumed distinctly feminine The franchises explored in this book illustrate the ambivalent post feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered and yet inherently bound to expressions of their femininity At heart *There She Goes Again* asks under what terms and in what contexts women protagonists are imagined envisioned embodied and replicated in media Especially now in a period of gradually increasing representation women protagonists demonstrate the importance of considering how we should define and whether we need feminine forms of knowledge and power *The Triumph of Babylon 5* Baz Greenland, 2024-01-24 *Babylon 5* revolutionized genre television First aired in 1993 the space opera series is highly respected for everything it was trying to achieve on television at a time when *Star Trek* was king Its use of story arcs and long form storytelling in science fiction can be felt in everything from *Battlestar Galactica* to *Lost* and *The Expanse* Much of its legacy has been about its struggle to survive From the rivalry with *Star Trek Deep Space Nine* to the collapse of the Prime Time Entertainment Network the cancellation of spin off series and the failed big screen attempts the behind the scenes details on *Babylon 5* are as fascinating as anything we have on screen This work explores the complex history of *Babylon 5* the career of showrunner J Michael Straczynski and the behind the scenes drama to stay on the air with many attempts to continue the franchise Featuring interviews with cast members from the podcast *A Dream Given Form* a lengthy two part interview with Peter Jurasik Londo and a chat with Patricia Tallman Lyta and others this book gives insights into what it was like to be part of *Babylon 5* chronicling the show s highs and lows and examining the legacy it left behind in genre television The Protagonist's Journey Scott Myers, 2022-03-26 *Character drives plot* Based on this principle this book walks aspiring writers through the fascinating world of character driven screenwriting When a writer engages their characters they start a process which naturally leads to the story s structure and everything else that makes for a well written narrative Exploring the protagonist s journey and their unity arc Myers explains how a family of characters surrounds the protagonist and influences their transformation process This easy to follow guide features activities that will help writers of any level develop their stories from concept to scene by scene outline Based upon a popular workshop Myers has led with over a thousand writers at all levels of experience this book is a must have for screenwriting students both undergraduate and graduate and those looking at advanced story development **James Thomson (B.V.)** Imogene B. Walker, 2019-06-30 Previous studies of James Thomson B V failed to consider adequately the significant relationship between the man and his poetry a failure which Mrs Walker corrects in the present work That poet of

the Victorian Age who was so correctly labeled The Laureate of Pessimism will find renewed appreciation from students of the period who read this book
