*The Incredibilities of Part II. of the Bishop of Natal's Work, Upon the Pentateuch: a Lay Protest* John Collyer Knight, 1863

*Sons of Natal* Ian Carr, 2016-06-29 1879 British Natal stands on the brink of the Anglo Zulu war The British High Commissioner is seeking to provoke the native Zulus into rising up against the British invaders to start a war which will give the British an excuse to rule the whole of southern Africa The colonialists are gathering their forces in fear of the Zulu king's warriors Edmund Wade a hotel manager with a controversial military past volunteers to join the Town Guard But after a run in with an influential soldier he is left unemployed And so when he is offered the chance to lead a dangerous military mission he has no choice but to accept The newly promoted captain is sent with a rag tag contingent of redcoats to recover a haul of stolen rifles before they fall into the Zulu king's hands arming him for the coming conflict It is Wade's chance to redeem himself in the eyes of the army But the stolen rifles are just the beginning The captain starts to uncover a conspiracy which cuts to the heart of the British colonial establishment Who really stole the rifles and for what purpose Can Wade expose the plot before it plunges South Africa into war Or will he fall victim to the Sons of Natal *Sons of Natal* is a brilliant fictional account of military conflict during the Zulu War Ian Carr is the author of *Sons of Natal* a historical fiction novel set during the Anglo Zulu war of 1879 Having graduated with a degree in archaeology he worked briefly in town planning before accompanying his wife to South Africa for five years while she trained to be a vet His interest in the 19th century and his experience of living in South Africa helped inspire the setting of this first book following the adventures of British Army officer Edmund Wade Ian now lives in the South Devon fishing town of Brixham where among other writing projects he is working on the second book in the Wade series Endeavour Press is the UK's leading independent publisher of digital books

Getting an Heir Ann Waltner, 2019-03-31 The need for heirs in any traditional society is a compelling one In traditional China where inheritance and notions of filiality depended on the production of progeny the need was nearly absolute As Ann Waltner makes clear in this broadly researched study of adoption in the late Ming and early Ch'ing periods the getting of an heir was a complex even paradoxical undertaking Although adoption involving persons of the same surname was the only arrangement ritually and legally sanctioned in Chinese society adoption of persons of a different surname was a relatively common practice Using medical and ritual texts legal codes local gazetteers biography and fiction Waltner examines the multiple dimensions of the practice of adoption and identifies not only the dominant ideology prohibiting adoption across surname lines but also a parallel discourse justifying the practice

**Introduction to Vedic Astrology-Volume II** Ram Babu Sao, 2025-02-19 Money is Prosperity The book *Introduction to Vedic Astrology Volume II* is a unique book which is very informative and also easy to understand One book is truly the equivalent of several books on astrology You can make predictions of horoscope for you or any member of your family with the help of this single book This provides some of the elementary and in depth essential elements of complete Horoscope predictions Many of the basics of astrology are explained

in detail Astrology is not knowing your future but planning your future by averting the misshapeness by action in the right Muhurta and at the right time wearing Gems wearing Yantras chanting Mantras and Prayers It is important to realize that success comes only with the right actions at the right timing The whole secret of Astrology is Right Timing This Book provides the best times for successful ventures such as starting a business buying a home or investing in the Stock Market JP Morgan made a fortune using astrology for Right Timing This knowledge is made available to you through this book By using the book your life will be more prosperous than ever before It is important to work Smartly but not hard This Book gives you the followings 1 The prospective tools to make your life more rewarding 2 Career and love life at its ultimate zenith 3 Guidelines to ever dream of becoming a Star 4 Discovering your financial fortune in life 5 Secrets of looking at the Best you can be every day 6 Start a professional practice and setting your fees 7 Horoscope Predictions of any Person Enormous books are available in the market each one covering one or two topics on Astrology In the developed countries like America France Japan Germany and Britain plenty of books on Astrology are available covering one or two topics but it cost much more than our buying capacity One has to read many books to master Astrology and also to predict the individual Horoscope Chart Our life is speedy It is ever active and is changing every moment Each one of us is facing difficulty at every step This book will facilitate to reach your destination by moving ahead with ease even in the storming situation This is so much strife and struggles in the present time as it was never before This is a time of ready made food and fast food Nobody has time to cook the food and then eat Only this feeling motivated me and necessitated making this book This is easily approachable and compact It is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession I have tried to make clear what the correct astrology works is These are all correct facts figures collected from various books and incorporated here in a single book for the first time for use by the common men Behind all this there is my exhaustive study and collections More than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over India and abroad This gives authenticity to the book This book is a tool for the Jyotish Students the Beginners and the somewhat advanced Students and the Professionals too Many psychic services charge you as much as 50 75 or even 200 for a single reading of your life prediction but this book offers you a single instrument for reading as many as you want and that too at the cheapest rate The technically advanced matters allow you to deliver your reading to you accurately quickly and effectively Not only will your reading be incredibly accurate but also you will have it available to read and analyze at your own pace Besides this book offers you an opportunity to record your readings and readings of your family members by yourself Just realize that how much you are going to save on account of Horoscope readings for you and your family
