Hapgood,2017-12-24 Excerpt from The Autobiography of a Thief It was only after he had become a professional thief and had done time in the prisons that he began to see that crime does not pay He saw that all his friends came to ruin that his own health was shattered and that he stood on the verge Of the mad house His self education in prison helped him too to the perception that he had made a terrible mistake He came to have intellectual ambitions and no longer took an interest in his Old companions After several weeks Of constant association with him I became morally certain that his reform was as genuine as possible under the circumstances and that with fair success in the way Of getting something to do he would remain honest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Autobiography of a Thief, and Other Histories Charles Reade,2015-07-06 Excerpt from The Autobiography of a Thief and Other Histories The Wandering Heir The readers of It is Never too Late to Mend may remember that in chap xxii the chaplain set the thief to write his life honestly He was not to whitewash and then gild himself nor yet to vent one long self deceiving howl of general and therefore sham penitence but he was to be with God s help his own historian and sober critic Accordingly Thomas Robinson wrote this autobiography in Jail and my readers may have noticed that at first I intended to print it with the novel It cost me a struggle to resign this intention for it was the central gem of my little coronet But the novel without the autobiography was five ordinary volumes by printers calculation and a story within a story is a frightful flaw in art Moreover I was attacking settled long standing prejudices Prejudice is a giant against whom Truth and Humanity need to be defended with great spirit and in some desperate cases with a tiger like ferocity A dur ane dur aiguillon But there must be some judgment too and take my word for it there always has been some judgment used wherever so hard a battle is won I feared then to multiply paradoxes and to draw once too often on the faith of the public as well as on its good heart I who carried no personal weight with me But I think my readers are now ripe for this strange but true story and I dedicate it in particular to such as will deign to accept this clue to my method in writing I feign probabilities I record improbabilities The former are conjectures the latter truths mixed they make a thing not so true as Gospel nor so false as History viz Fiction When I startle you most think twice before you disbelieve me What able deceiver aims at shocking credulity Distrust rather my oily probabilities They should be true too if I could make them but I can t They are guesses You have seen Thomas Robinson alias Hie alias Ille alias Iste tinted in water colours by me now see him painted in oils by himself and retouched by Mr Eden About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work

The Autobiography of a Thief Hutchins Hapgood,2014-12-15 The Autobiography of a Thief Hutchins Hapgood I met the ex pickpocket and burglar whose autobiography follows soon after his release from a third term in the penitentiary For several weeks I was not particularly interested in him He was full of a desire to publish in the newspapers an expos of conditions obtaining in two of our state institutions his motive seeming partly revenge and partly a very genuine feeling that he had come in contact with a systematic crime against humanity But as I continued to see more of him and learned much about his life my interest grew for I soon perceived that he not only had led a typical thief s life but was also a man of more than common natural intelligence with a gift of vigorous expression With little schooling he had yet educated himself mainly by means of the prison libraries until he had a good and individually expressed acquaintance with many of the English classics and with some of the masterpieces of philosophy That this ex convict when a boy on the East Side of New York City should have taken to the graft seemed to me as he talked about it the most natural thing in the world His parents were honest but ignorant and poor One of his brothers a normal and honorable man is a truck driver with a large family and his relatives and honest friends in general belong to the most modest class of working people The swell among them is another brother who is a policeman but Jim the ex convict is by far the cleverest and most intelligent of the lot I have often seen him and his family together on Saturday nights when the clan gathers in the truckman s house for a good time and he is the life of the occasion

and admired by the others Jim was an unusually energetic and ambitious boy but the respectable people he knew did not appeal to his imagination As he played on the street other boys pointed out to him the swell thief at the corner saloon and told him tales of big robberies and exciting adventures and the prizes of life seemed to him to lie along the path of crime There was no one to teach him what constitutes real success and he went in for crime with energy and enthusiasm *The Autobiography of a Thief, and Other Histories, a N D, the Wandering Hier* C.
