**Ivan The Terrible: The World's Worst Best Dog** Benjamin Stetser, 2025-03-01 let me tell you about Ivan the world's absolute worst best dog ever Honestly I blame myself for this one I made the colossal mistake of watching Marley Me with him when he was a puppy Big mistake Huge He must've seen Marley as his life coach or spiritual guide because wow Ivan isn't just following in Marley's paw prints he's sprinting past them while setting the house on fire Now I didn't exactly plan on adopting Ivan He sort of landed in my life in the middle of an absolute train wreck His previous owner was wrapped up in drugs and sex trafficking yep the human not the dog and poor Ivan was caught in the chaos I couldn't just toss him to the SPCA or some other shelter where he'd sit for years or worse end up put down So despite already having a full grown dog at home and absolutely no extra bandwidth for nonsense I brought Ivan in Spoiler alert he's been bringing the nonsense ever since Ivan is like a four legged tornado with fur He's chewed things I didn't even know could be chewed barked at objects I couldn't see and made it his personal mission to test my patience daily But for all the times he's driven me to question every decision I've ever made he's also melted my heart in ways I didn't know were possible He's goofy loyal and completely clueless about how much trouble he causes which somehow makes him even more lovable It didn't take long for me to decide

that Ivan was never ever going back to the mess he came from No matter how many challenges or shoes he throws my way this chaotic lovable disaster is staying right here with me Because Ivan isn't just a dog he's family And sure he's the kind of family who makes you want to scream into a pillow sometimes but at the end of the day he's my pillow shredding chaos bringing absolute best boy
