Wiring 50 Amp Rv Service:

The Complete Guide to RV Electrical, Computer, Solar and Communications Systems Working and Living Independently on the Road William C. Meyer, 2009-07 The main purpose of this book is to act as a how to reference manual for outfitting your RV or mobile home with the tools to support your working and life style and is written from the perspective of traveling full time on the road A secondary purpose is to supply information for persons to boondock where they wish and still have the electrical conveniences without having shore power You will find topics on electrical systems computers solar energy and communications Most all of the components referred to in the book are easily found at any computer retail store hardware store and of course on line You can save hundreds of dollars by installing your RV systems and have the pleasure and satisfaction of doing it yourself The examples illustrated are a starting point to give you ideas on how to make changes to your RV You will find detailed pictures schematics and illustrations throughout the book to guide you along the way There is also a reference section for finding the components you need and to further explore a topic Included is a glossary of technical definitions for terms and abbreviations For the more technically inclined there are sections interspersed all throughout the chapters that provide ancillary information on the topic being discussed Go to these Sidebars to learn more about the technology or feature For those that work on the road replicating your home or work office into a mobile office in the past has been difficult and frustrating to achieve because you could not accomplish all the same features and functions that are required to perform your job As time has progressed technology and people s inventiveness have continued to progress and seems to be progressing in an increasing geometric fashion Obviously this is good news for the mobile worker or mobile entrepreneur Today as of the writing of this book the technology is available to match the performance and functionally of a brick and mortar establishment
