Terminology (Speedy Study Guide) Speedy Publishing LLC, 2014-09-04 If you're pursuing an exciting career in the medical field you'll need to be fluent in medical terminology It's the universal means of communicating for all medical professionals It's a language unto itself When you're sitting in the medical terminology class the professor will skim over the terms for a given medical specialty It's not likely your mind will grasp the terms immediately Learning medical terminology involves memorization Whereas learning other subjects can include association and hands-on techniques learning medical terminology requires word repetition You need to see hear and write the terms over and over It's not very exciting for a field that's so fulfilling This is where using a medical terminology guide can help Diagrams of human anatomy give you a visual point of reference for the words Information is presented in a user-friendly style A variety of question formats makes self-review interesting You have true and false matching and multiple choice The questions help you use the words in context which is what you'll be doing on your job The geniuses behind a medical terminology guide know how to make learning fun Online guides are especially engaging because they often include games Some of them give you audio feedback e.g. the program says Great when you select the correct answer Using a study guide can help you truly enjoy learning medical terminology You'll come away from your study sessions feeling upbeat and confident And once you've mastered medical

terminology you're on your way to a successful career

Medical Terminology (the Body) (Speedy Study Guides)

Speedy Publishing LLC, 2014-07-04 Having a Medical Terminology Book is a good reference to have for one's library. It helps people to better understand the health conditions they may have and those of loved ones because medical jargon can be unclear and confusing. It also aids in helping patients to communicate with their medical care providers in a clear, concise way. It is a necessary tool for health professions students and for professionals like Doctors, Nurses, Nursing Assistants, and Allied Health Practitioners to have and consult.

Medical Terminology Speedy Publishing LLC, 2014-07-28 There is so much information the student gleans from basic medical terminology of the human body that further study is impossible without this foundation. Including pronunciation of words, prefixes and suffixes of words, spelling, and especially word definitions are all part of the basis of medical terminology.
