MacKenna,2019-11-19 People say to me be careful of the money don t blow it If the money becomes a problem I ll get rid of it

I've been planning to get to this stage for a long long time and I won't let anything stop me. Honestly The year is 2013 and Ewan MacKenna is sitting in McDonald's with Conor McGregor as he enjoys his weekly coffee a treat in the eyes of a dedicated fighter. The Crumlin born mixed martial arts fighter has not yet cashed his 60 000 prize money after his maiden UFC victory over Marcus Brimage a first round stoppage but he knows the importance of it only recently has he found himself in the social welfare queue. Five years on and McGregor is late for his press conference with Khabib Nurmagomedov ahead of their showdown at UFC 229. By the time he arrives his opponent has gone but it doesn't stop him from launching into a diatribe against him before reverting to a sales pitch for his own whiskey Proper No 12. Somewhere along the line the fighter became a stranger to his art increasingly drawn to the circus that surrounds him. But what is McGregor? A wonderful rags to riches tale. Dedicated athlete. Cultural phenomenon. Troubled soul. Out of control kid. Confused young man. Narcissist. Arrogant thug. Sporting icon. McGregor is any and all but crucially more than most sporting stars he is also a mirror of society. In Chaos is a Friend of Mine MacKenna takes in both Las Vegas in 2018 and Dublin in 2019 in order to examine McGregor's journey from his upbringing in the Irish capital to his early days as a wide eyed prodigiously talented martial arts obsessive to his recent antics outside the ring which have seen him grow bigger than the sport itself but spiral out of control.

Maximum Rocknroll ,2001 **Forthcoming Books** Rose Arny,1992 In Black and Gold ,2022-06-08 In Black and Gold indicates that opposed styles of poetry reveal subterranean correspondences that occasionally meet and run together. Austerity or tomfoolery are two of the many valid responses to the human condition that create the contiguous traditions that cannot help touching and reacting to each other. The poetry discussed in this book deals with the relation of individuals to strange or to familiar landscapes and what this means to their own sense of displacement or rootedness with the use of history as an escape from or as a challenge to an apparently failing present and with the role of nationalism either as a refuge for angry frustration or as a weapon against the affronting world or as an ambivalent loyalty that needs to be scoured or as all three. Here we find poetry as a means of discovering true or false allegiances and valid or invalid public and private identities poetry as a medium for exploring the uses of the demotic in confronting the breakdowns and injustices of modern democracy poetry as play in the midst of private and public woe poetry as a spiritual quest as a spiritual scourging as a wrestling with spiritual absences and poetry as an intermittent and sporadic commemoration of the triumphs and delights of epiphanic encounters with the physical world *Stepping on the Cracks* Chris L.
