A Believable Bible Ph. D Walter Kania, Kania, 2009 In a recent study reported by the Associated Press the American Religious Identification Survey concluded that the percentage of Christians in America had declined It went on further to report that more people say that they have no religion at all Approximately 30% of married couples did not have a religious ceremony About 27% of those polled said that they did not want a religious funeral Why is this true Increasingly people feel the need to make a decision They must decide between accepting and becoming a Biblical literalist or embracing the known verifiable realities about the world in which they live This choice is confusing and it creates a state of cognitive dissonance that becomes intolerable for most people Having to accept a Bible that is unbelievable that is filled with pre modern unacceptable notions and even noxious declarations is a turnoff to people in an educated culture Having to believe in an indefinable punitive and capricious God as promoted in religion is a difficult and repulsive pill for most people to swallow In A Believable Bible you are provided with a guidebook for understanding and making sense of the book of faith that is the basic document of and that

is responsible for the Christian faith in America You will be surprised to discover that the Bible may not be what you have been led to believe Incorporating the best of recent biblical scholarship and psychological insight Dr Kania takes you on a fascinating journey of discovery and new truth much as he did in his prior book *Healthy Religion* **The Literary Digest**, 1937 Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1937 **Literary Digest**, 1937 *Arts & Humanities Citation Index*, 1983 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *National Message and Banner*, 1963 The Musician, 1907 *Ten Plagues Of Egypt* Shoshana Lepon, 1988-05-01 Recounts in verse how God sent ten terrible plagues to Egypt to persuade the Pharaoh to let the Israelites return to their homeland
