Fear-Less Now Ingrid Bacci, 2012-05-25 Your life may travel many different paths but it has only one true purpose At the deepest level your purpose is to find freedom a way of being in which you feel simultaneously peaceful powerful happy and productive Yet if you are like most human beings you may find that achieving this purpose seems to elude you You look for it in different directions only to find that it is not there Despite your best efforts you may still harbor anxiety fear anger restlessness or frustration If so you are like most of us Why do we have such a difficult time creating the serenity strength and love that we all desire Fear Less Now proves unequivocally that the problem that keeps us from our own most cherished goal lies in the way our minds and hearts function and not in our external circumstances It also offers you a simple yet profound process for attaining what you really want By systematically applying the tools of daily living recommended in this book you can build the balance serenity and centeredness you desire You can be the master of your self liberation
