Current Trends in Slavery Studies in Brazil Stephan Conermann, Mariana Dias Paes, Roberto Hofmeister Pich, Paulo Cruz Terra, 2023-05-22 African slaves were brought into Brazil as early as 1530 with abolition in 1888 During those three centuries Brazil received 4 000 000 Africans over four times as many as any other American destination Comparatively speaking Brazil received 40% of the total number of Africans brought to the Americas while the US received approximately 10% Due to this huge influx of Africans today Brazil's African descended population is larger than the population of most African countries Therefore it is no surprise that Slavery Studies are one of the most consolidated fields in Brazilian historiography In the last decades a number of discussions have flourished on issues such as slave agency slavery and law slavery and capitalism slave families demography of slavery transatlantic slave trade abolition etc In addition to these more consolidated fields current research has focused on illegal enslavement global perspectives on slavery and the slave trade slavery and gender the engagement of different social groups in the abolitionist movement or Atlantic connections Taking into consideration these new trends of Brazilian slavery studies this volume of collected articles gives leading scholars the chance to present their research to a broader academic community Thus the interested reader gets to know in more detail these current trends in Brazilian historiography on slavery

Slavery, Freedom and Conflict Jane L.

Bownas,2020-03-11 A Story of Two Birmingham examines the roles played by two cities and the areas in which they are situated in the long history of people of African origin and their ancestors who were taken into slavery experienced a phoney freedom and subsequently experienced racism segregation and violence From the eighteenth century the industrial city of Birmingham in England was involved in the manufacture of guns used in the African slave trade and then later in the production and export of the steam engines used on the sugar plantations in the West Indies In northern Alabama on land where another industrial city of the same name would later develop African slaves worked on cotton plantations owned by planters who would later make their fortunes by selling the mineral rich land Abolitionists in Birmingham UK and in the Southern States fought against much opposition to achieve freedom for the slaves But this was often a phoney freedom for example under an apprenticeship system in Jamaica people endured conditions often worse than under slavery and in Alabama they endured hard labour in the development of the new industrial city and under the Convict Lease system Slavery Freedom and Conflict follows the life path of descendants of slaves into the twentieth century the difficulties experienced by West Indian immigrants in Birmingham UK the segregation laws imposed in Birmingham Alabama and the US Civil Rights movement which followed Later in the century riots occurring in Handsworth Birmingham UK the election of a far right racist politician in nearby Smethwick and the infamous speech of Enoch Powell indicated that as in Birmingham Alabama many black people were still suffering from the iniquities of the slave trade inflicted upon their ancestors more than two hundred years previously This book is essential reading for all those with an interest in the history of slavery and in the local history of the West Midlands of England and the Northern counties of Alabama
