Slavemaster S Woman The:

The Slave Master of Trinidad Selwyn R. Cudjoe, 2019-08-30 William Hardin Burnley 1780 1850 was the largest slave owner in Trinidad during the nineteenth century Born in the United States to English parents he settled on the island in 1802 and became one of its most influential citizens and a prominent agent of the British Empire A central figure among elite and moneyed transnational slave owners Burnley moved easily through the Atlantic world of the Caribbean the United States Great Britain and Europe and counted among his friends Alexis de Tocqueville British politician Joseph Hume and prime minister William Gladstone In this first full length biography of Burnley Selwyn R Cudjoe chronicles the life of Trinidad s founding father and sketches the social and cultural milieu in which he lived Reexamining the decades of transition from slavery to freedom through the lens of Burnley s life *The Slave Master of Trinidad* demonstrates that the legacies of slavery persisted in the new post emancipation society

The Sexual Contract Carole Pateman, 2018-06-05 Carole Pateman is one of the foremost political theorists writing in English today In this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination *The Sexual Contract* will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

The Dominant African-American Woman Donald Sharief I, 2009-04

The Genesis of the Bible Shaka Saye Bambata Dolo, 2012-03 This book is about Christianity Islam Judaism and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt North Afrika and used them during The Trans Sahara Afrikan Slave Trade by the Arabs in the name of Allah and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus to enslave the bodies minds and souls of the Afrikan Race This book is about the Jesus Deception that has been passed on down through history by European historians that is still being taught around the world today This book takes a provocative intellectual scholastic historical cultural and sociological look at the Bible This book identifies the names of the translators of the King James Bible of 1611 A D and when the chapters and verses in the Bible were created and who created them The purpose of this book is to expose the historical cultural sociological religious and theological lies of the Europeans and the Arabs This book reveals the truth of the origination of The Bible as There Is No Religion Higher Than The Truth Join me in an intellectual odyssey through time Here

I feel like a Lone Warrior standing before a mighty army Come with me on this perilous pilgrimage as we travel through a parallel universe I dedicate this book to my mother and father who gave me life To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture To the Heavenly Father without whom none of this would be possible There are others I would also like to thank for being a part of helping me through this journey called Life such as my professors at the Alabama State University where many a great scholars paths I have crossed To my American family and friends in Mobile Alabama who nurtured and taught me from childhood to adulthood The many friends and colleagues I met in my travels all across America in my intellectual journey and last but certainly not least to my publisher for granting me the opportunity to speak to many all around the world in this forum I am eternally indebted to you all Thank you Harriet Jacobs and Incidents in the Life of a Slave Girl Deborah M. Garfield, Rafia Zafar, 1996 Harriet Jacobs has not until recently enjoyed sustained scholarly analysis This anthology presents a far ranging compendium of literary and cultural scholarship taking its place as the primary resource for students and teachers Introduction to African American Studies Talmadge Anderson, James Benjamin Stewart, 2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d *James K. Polk and His Time* Michael David Cohen, 2023-08-18 This collection arose out of a 2019 conference to commemorate the completion of the fourteen volume Correspondence of James K Polk Its scholarship which pays tribute to the Polk Project itself as well as to the controversial nature of the Polk legacy will result in a significant reinterpretation of the eleventh US president Contributors include John F Polk who examines the ways history has mischaracterized almost the entire Polk family tree and Kelly Houston Jones who investigates the family s investments in slave based agriculture The fascinating life of Elias Polk a man enslaved by the president is compellingly related by Zacharie W Kinslow Asaf Almog analyzes the persistence of labels Polk and fellow Democrats labeled their Whig opponents Federalists he argues with both rhetorical and substantive aims Michael Gunther analyzes Polk s authorization of the Smithsonian Institution and the Department of the Interior seemingly at odds with his devotion to small government Taken together the twelve essays unveil a more complex James K Polk than the narrowly focused Jackson prote ge and proponent of Manifest Destiny we often hear about He was politically partisan but inspired by history and grounded in principle His family s long

reliance on nonwhite Americans losses of freedom and land informed his policies on slavery and Indian removal and the nature of the legislation at hand determined when he promoted a larger or a smaller federal government James K Polk and His Time helps us to understand Slavemaster President William Dusinger, 2007-10-01 James Polk was President of the United States from 1845 to 1849 a time when slavery began to dominate American politics Polk's presidency coincided with the eruption of the territorial slavery issue which within a few years would lead to the catastrophe of the Civil War Polk himself owned substantial cotton plantations in Tennessee and later in Mississippi and some 50 slaves Unlike many antebellum planters who portrayed their involvement with slavery as a historical burden bestowed onto them by their ancestors Polk entered the slave business of his own volition for reasons principally of financial self interest Drawing on previously unexplored records Slavemaster President recreates the world of Polk's plantation and the personal histories of his slaves in what is arguably the most careful and vivid account to date of how slavery functioned on a single cotton plantation Life at the Polk estate was brutal and often short Fewer than one in two slave children lived to the age of fifteen a child mortality rate even higher than that on the average plantation A steady stream of slaves temporarily fled the plantation throughout Polk's tenure as absentee slavemaster Yet Polk was in some respects an enlightened owner instituting an unusual incentive plan for his slaves and granting extensive privileges to his most favored slave Startlingly Dusinger shows how Polk sought to hide from public knowledge the fact that while he was president he was secretly buying as many slaves as his plantation revenues permitted Shortly before his sudden death from cholera the president quietly drafted a new will in which he expressed the hope that his slaves might be freed but only after he and his wife were both dead The very next day he authorized the purchase in strictest secrecy of six more very young slaves By contrast with Senator John C Calhoun President Polk has been seen as a moderate Southern Democratic leader But Dusinger suggests that the president's political stance toward slavery influenced as it was by his deep personal involvement in the plantation system may actually have helped precipitate the Civil War that Polk sought to avoid So Very Much the Best of Us Brian Doyle, 2015-11-10 Is Brian Doyle the most passionate Catholic storyteller in America Here is new evidence that he is In this brand new compilation of some of his best stories that have appeared in various publications throughout the world Doyle explores the promise of Catholicism in America that he has experienced and observed from his childhood through today Ebony, 1966-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Ebony**, 1966-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine The Opprobrium of Wanton Behavior Orlando N. Gomez, 2008-05-08 The Opprobrium of Wanton Behavior is an extraordinary and powerful novel based upon the tale of a family line where religion politics and sorcery become the most important aspect of life in the community shaman dynamic While members of a family face limitless ill treatments at the end a sublime state of mind helps

Mountian,2024-12-23 Based on two decades of research in Brazil and the UK this book explores the ways in which intersections of gender race and class affect the positioning of the subject as Other in discourses of health and how the positioning of the subject as Other has implications for health research and mental health practice Drawing on feminist post colonial and decolonial studies psychoanalysis and discourse analysis Mental Health and Otherness examines the experiences of immigrants drug users and transsexual people in health and mental health settings and the ways in which stereotypical understandings can affect the subject This book is a study of the discursive construction of ideas about health and mental health in the West and the awareness of processes of othering in clinical practice It will appeal to scholars in psychology sociology and cultural studies with an interest in mental health health care and intersectionality *Freedom of Expression*

Glen Newey,2009-03-26 Freedom of expression has long been cherished as a liberal ideal But in the political climate of the new millennium free expression finds itself under assault Muslims greeted the publication by a Danish newspaper of cartoons depicting the prophet Muhammad with outrage The Pope was forced to issue an apology after Muslims denounced his remarks about a Byzantine emperor as anti Islamic Meanwhile in the UK the play Behzti was cancelled after protests by Sikhs and Christian activists attempted to force the BBC not to screen Jerry Springer the Opera The political establishment as well as religious activists has also tried to gag free speech Moves to ban inciting religious hatred and glorifying acts of terrorism have stirred up political ferment In several jurisdictions Holocaust denial is already outlawed The advent of the internet with its lack of regulation has fuelled long standing feminist concerns about pornography Child pornography has

become rampant on the web This collection explores the new challenges to free expression posed by cultural and political conflict and by technological change It asks whether classical and modern liberalism still carry conviction against challenges to liberal orthodoxy The contributors ask how to weigh the claims of free expression against other fundamental rights such as group membership personal privacy and the protection of the public sphere both as a discursive realm and as a cultural space Together they tackle the key questions facing free expression today What does free expression mean in an age of global communications How if at all can it be traded against other goods Can free speech survive given the growing awareness of its costs
