Maureen Reil, 2015-03-05 *Comical Vacations 1* Three Book Bundle Contents: The Finch Family Short Break Book 0 Prequel. This British funny fiction is the prequel in the *Comical Vacations* series that takes place the year of Kitty's divorce and before the first Finch Family Holiday kicks off. We find Kitty Finch trying to get to grips with life without Mason after seeking a friend online to share her time and troubles with, but he turns out to be more trouble than he is worth. When things get weird, she tries to end their friendship, only he is not having it, so she persuades her sister-in-law that she needs a short break. However, it does not remain just the three of them going on an Amsterdam adventure when other Finch family members also wangle a ticket to ride. How will she handle the fact that her ex-husband is coming along too and who is the mystery woman with him? It was not all fun and games for Kitty when she discovers that things are not going her way, no matter how hard she tries to deal with stuff that could prevent her enjoyment and talk about unrequited love for it is catching on. Especially when Kitty ends up gate-crashing a hen party and pretending to be someone else just so she can join in. There is also the Red Light District to contend with where all her worst fears came true. Overall, it was a memorable stay in the end and to find out more, just read this hilarious story of one woman's quest to keep her sanity and her sanitary towels intact.

*The Finch Family Holiday 1* WISH YOU WERE HERE would be the words written on a dirty postcard from Blackpool that Kitty Finch would send home to the rest of her family if only they were not already there with her. The Finch family are going to a Blackpool campsite for a typically British seaside holiday. Will Kitty be able to enjoy the excursions when plagued with the arthritis she suffers from? On the other hand, will she want to end it all off the top of The Blackpool Tower through embarrassment before their final day is done? Will everyone else survive the holiday come to that? There are a couple of surprises joining them for the ride and plenty of comedic complications to overcome. Can Kitty really put her marriage to Mason behind her since the divorce and perhaps have a holiday romance with someone new? Read this funny feel-good fiction to find out.

*The Finch Family Holiday 2* Fancy a fun British holiday with the wacky Finch family in The Lake District then you are very welcome to join them for another zany outing. In this laughter-filled story, Kitty has found herself a boyfriend that she met through the internet and she has invited the current man in her life to come along with them. Does her ex-husband

approve of this new dude and does Kitty care if Mason cares Will Kitty's continuing battle with her health issues interfere somewhat with them having a good time not to mention the mishaps misunderstandings and general mayhem all round Everyone tries their best to bond together on this exciting trip only to rub each other up the wrong way While a blast from the past manages to upset an excursion and causes Kitty yet more grief Kitty wonders if the local myths truly exist and is there a monster lurking at the bottom of the lake Moreover can a witch really put a curse on Kitty when she is made of stone This is the least of her woes when she suspects a real post office robbery has taken place Is it a crime to want this ten day stint away from home not to end up a complete disaster Go on I dare you to crack open the cover of this holiday story to find out what they did on their vacation Let's Get Serious Maureen Reil, 2013-08-24 What should you do when your boyfriend wants to propose live on air Should you a confess up front that you're already married before the cameras are in your face and risk losing him because you never meant to lie but you never mentioned it either On the other hand b try to avoid being alone with him ever again so that he will not get the opportunity to ambush you with a surprise engagement ring Or c play along with it and accept his offer of marriage and that leaves option d which stands for divorce which is what you should have done ages ago seeing as it's been five long years since you've actually seen your husband in the flesh Speaking about the absent husband just to complicate matters even further begs the question Did they have to make a pact to hook up again five years down the line and get back together for good if neither of them had found happiness with another person by then And this is the problem that Faye Allen faces on the programme where she works while the TV presenter is busy trying to make her own mark on telly so that she can fulfil her ambitions and one day host her own show Only a scandal like this could sink her career boat that was sailing along quite nicely until this happened to scupper her dreams As it is decided the best course of action to take in this situation is to head off to Gibraltar to get it all sorted and Faye has a close encounter with a monkey for all her troubles and it would not be for the first time So read this funny British comedy romance fiction novel in order to find out how Faye handles having a fianc and a famous husband plus a demanding workload all at once which ends up crossing the line right over into every single part of her life and completely wreaks havoc all round as a result

**Comical Vacations Book 3** Maureen Reil, 2017-01-22 Comical Vacations 3 Three Book Bundle Contents The Finch Family Easter Holiday 6 Let the good times roll since Kitty is excited to be going away for four fun filled days on their first of many and hopefully not the last Finch family holidays together with her boyfriend for a short stay in a quaint B B in Scotland Where she hopes they will get to spend some time alone as well as with the rest of the clan Well she would be more excited if she could shake the damn stomach bug she seems to have picked up probably from work Only it will not stop her going for the Easter celebration up in the Highlands where real men wear kilts and women wear a shoe size twelve if Moira is anything to go by Whether it is a haunting by a ghost in the guesthouse or hunting for Nessie and the lost buried gold coins connected to Bonnie Prince Charlie or seeking the precious playing card belonging to her brother then you can be sure that Kitty will

give it her all even if it costs her more than her dignity in the end There is also a secret to keep a secret to reveal and a secret admirer to deal with Not to forget there is also a beast on the prowl As this mini vacation has plenty of cringe worthy situations and surprises galore to cope with but Kitty has survived worse believe you me The Finch Family Bank Holiday 7 Now normally Kitty Finch loves a good wedding so she was happy to head down to Berkshire with the rest of the Finches to stay at a farm over the long bank holiday weekend She saw it as a chance to be in a famously posh romantic setting with her ex since Kitty wants to rekindle their relationship I mean who does not fall in love with love when surrounded by so much joy sentiment and happiness but not when she finds out he is bringing a plus one and she is feeling fat or should that state be fatter than usual because of her pregnancy If Kitty was under the impression that she could hide at the back to avoid not just the camera lens but also her exes then she had better think again When an accident occurs and Kitty has to step into someone else s shoes but not with her swollen feet so thankfully she gets to wear her own footwear in the end however it still doesn t help her walk down that aisle any better Joining Kitty and company in this hilarious mix of mayhem and merriment are a baby doll naked butlers and a male escort There are also a whole lot of laughs along the way so what more can anyone ask for from a British bank holiday The Finch Family Christmas Holiday 8 This is it folks the final Finch family holiday in the Comical Vacations series nine books in total It finds Kitty Finch heading off for a Christmas break with some of her family past and present plus picking up a friend or two along the way This time they are going on a Nordic liner for a mini Christmas cruise so they are all looking forward to this trip as long as it does not sink Well knowing her luck they could all end up at the bottom of the sea if this were any other kind of novel Only that is not a very happy ending so she feels confident that they will make it back to dry land and they do Not before there is upset all round of course and a stupid bet to win first whilst the pranks soon become the bane of her life After which they embark on the next leg of their journey to travel up to the north of Norway for an ice filled fun treat When staying at the snow hotel and getting to see and try things that they have never tried or seen before Will Kitty ever get the love she deserves Should she even have attempted to win a silly wager Can this British family ever have at least one lousy holiday without everything going tits up for Kitty Finch Would Kitty be able to claim she truly had the time of her life or would she be lying through her gritted teeth **Comical Vacations Book 2**

Maureen Reil,2017-01-21 Comical Vacations 2 Three Book Bundle Contents The Finch Family Holiday 3 It is that time of year again folks yes summer is here so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach Sounds idyllic sounds relaxing and sounds like a lot of fun in the sun so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people winding her up from start to finish As extra members of the clan are joining them for the ten day humorous adventure sparks could fly if someone lit a match to ignite the tension sexual or otherwise There are days out to look forward to in Cornwall where the Finch family discover new things try out new stuff and resort to old tricks when needed Will Kitty s

cousin get the better of her on this comical vacation Will Kitty Finch be involved in any holiday romances or just watching from the sidelines as per usual Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one So come along and catch up with the funny Finches as they show you what having a British family holiday is about The Finch Family Holiday 4 This year s Finch family holiday finds them flying off to France for ten days in the rural French countryside Only Kitty Finch seems to spend her vacation time searching for something whether it is a home for a pet a handbag or a holiday romance Not to mention the mystery man and his yellow socks that bring trouble her way All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better As the Finch family comes across plenty of people to share their time with including German neighbours English expats and even a French farmer to name a few One of the men Kitty meets is special enough to take her fancy for a French fling so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun Whether it comes to randy rabbits randy monkeys or randy men it is all part of the experience The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed Kitty Finch does not so she does her best to get out of the annual family holiday but no her parents are having none of it so she is going to Turkey whether she likes it or not Since they will probably kidnap her if she does not comply and come willingly while she never imagined part of that sentence actually coming true on this trip Anyway they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up Not that she wants to appear ungrateful about going on a five day all inclusive package holiday in the sun during the school half term in October it is just that she will be face to face with her ex husband who she hasn t seen since the wedding fiasco and the less said about that the better Despite not feeling up to a holiday with the family it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she not gone there and some aspects of it she even enjoys As this is what a British family holidaying abroad gets up to when left to their own devices Only do not expect this laugh out loud saga to end there because the funny Finches will be back for yet more shenanigans in the next book [The Desperate Dater's Intervention](#) Maureen Reil,2017-05-06 Lacey Stanmore breaks up with her controlling boyfriend Only he insists that they are merely on a break and not broken up for good at all However Lacey is determined to find herself another dude to replace him instead This idea finds Lacey falling back into old habits and she becomes a desperate dater once more When she goes out with men that are hardly the cashmere jumper of marriage material and more like a cheap suit made of polyester since they hardly measure up to her neighbour Unfortunately for Lacey the man she secretly loves from afar has a long term girlfriend so that is never going to happen Hence Lacey asks for advice from her flatmate when she needs a Plus One for the party she is going to the following weekend so her friend sets up a dating intervention for her Where she enlists the help of certain people close to Lacey so they will choose her next dates for the week ahead and by the end of it Lacey might have found love you never know or at

least something that resembles a decent date at least Well if you go on a series of consecutive blind dates in a row then one of them is surely going to turn into a second date right This of course sees Lacey having more hilarious and some might say disastrous dates then she knows what to do with While nobody would believe her if she wrote them all down and put them in a book but it s true Will Lacey get the man of her dreams or just end up with a nightmare and a headache not to mention the heartache This laugh out loud story is a British romantic comedy novel and it contains a few swear words too So if it sounds like your cup of tea then please enjoy it sensibly

**Let's Get Ready To Rumble** Maureen Reil,2014-03-06 This is the British comedic story of what happens when girl meets boy boy meets boy and girl meets fox As unrequited love secrets lies and the reality of working with a celebrity on her own show whilst wearing silly costumes all become a part of Ivy s world Here are the top five pros and cons of Ivy s life PROS 1 Ivy loves her job as a sign language interpreter 2 Ivy loves her flatmate Zak 3 Ivy loves her mother 4 Ivy loves her old friend Taylor 5 Ivy loves the idea of working on TV CONS 1 Ivy loses her job as a sign language interpreter 2 Ivy s flatmate Zak is gay and off limits 3 Ivy s mother is Bi Polar and a Cougar 4 Ivy has only ever been a friend to Taylor 5 Ivy does not have the confidence to work on TV Conclusion Ivy is in need of a change She needs to feel love and security which would be far less complicated to achieve if everyone involved could just learn to tell the truth So follow Ivy in this comedy romance on her fun filled journey to a better future well it cannot be any worse than the past

**Let's Get Married** Maureen Reil,2013-03-08 Jasmine receives a message unexpectedly from an old university friend who she had made a marriage pact with in the past Seriously who in their right mind would have thought that he would want to marry her if Jasmine was not married by thirty Surely this is a joke because nobody does that kind of thing for real right With Jasmine being the nice person that she is she decides to let him down gently by pretending that she is already married to someone else so there is no need for him to visit Only he is coming to town on business anyway and would like to meet her new husband There is one problem with this course of action Jasmine doesn t have a hubby knocking about the place when she comes up with a crazy plan to get herself a groom and fake a whole white wedding just to prove that she has indeed found her happily ever after So with plenty of laughs along the way and even when it involves a horse head rubber mask being worn it was all going so well Until it did not

**Let's Get It Started** Maureen Reil,2013-07-06 What is a British girl to do when she is suddenly jobless loveless and homeless all in the space of an afternoon Well she goes on holiday which is what she does This is the sorry situation which Emma Brook finds herself in so if anyone deserves a vacation then Emma thinks it should be her and the destination chosen is exactly what she needs to get over her ex and move on with her life So with the help and guidance of a family member and a new friend Emma is set to prove to Gabe and herself that she is not boringly normal like he d cruelly insisted she was and she can be adventurous and daring But it s all not as easy as it sounds when the only man Emma falls for has a secret of his own which he was trying to keep from her ever finding out about So a spot of revenge rebound sex is out of the question then or is it It all comes to a head when Emma returns home to face her ex

and claims to her friends that she had a holiday romance with a Greek God lookalike to show that she was indeed over Gabe Low and behold this mystery man actually turns up to complicate matters further Will Emma regret her white lie or will it be the best thing that ever happened to her *Have Yourself A Merry Little Christmas* Maureen Reil,2019-12-23 Avery Dawson is back for the holidays for the first time in five years So what has changed in her absence she wonders As Avery makes her way through the snowy fields and across the icy lanes towards her semi rural English village to return to the cottage she still calls home There s someone in particular that Avery would love to see again Only he ll have to wait until she s ready to explain what made her return in the first place But perhaps they could rekindle their romance for this season of goodwill once they do catch up who knows There s just one problem with this idea well several actually so this year is not turning out to be the merry little Christmas Avery thought it could be Seeing as the festivities can not only bring out the best in people but also the worst too in this jolly humour filled novella so reading it is a perfect way to lighten the mood on those dark days ahead *I Hate Me, Who Do You Hate?* Maureen Reil,2011-10-09 Amber hates herself she hates everything about herself from her curly red hair to her bad habits of smoking drinking and shoplifting But most of all she hates feeling unlovable and that s caused by a deep seated angst of letting anyone too close in case they abandon her too just like her mother did So when Amber realises that she has been dumped made homeless and up to her eyes in debt and in constant fear of losing her job as a beauty therapist Well can her life get any worse Yes it can when she finds herself pregnant Helping her deal with this is a colourful cast of characters that will make sure she gets through it one way or another When Amber impersonates a singing sensation her world is about to be turned upside down once again Is there more to them looking like sisters than meets the eye Will Amber discover the truth about her mother Will Amber ever learn to love herself even if she gets closure on this Join Amber on her laughter filled journey with all the domestic drama added for an engaging and entertaining read in this funny British novel **Let's Get Together** Maureen Reil,2013-04-23 Jodi Spears is fast approaching her thirtieth birthday but it is not a date that she is looking forward to anymore Since her world was turned upside down and rocked to its very core when her husband decided to jump off a cliff instead of staying with her to deal with the crippling debts that he had gotten himself into that were unbeknownst to her at the time She lost everything as a result when the business went bankrupt and this included her home so she now lives in her car in between house sitting jobs and uses her wages to pay what she can off the money still owed The latest abode where her boss at the agency sends her to is on a cliff top which unfortunately for Jodi is very similar to the one which had claimed the life of her late husband As her drinking increases so does her growing attraction for a hunky guy that she met called Reece and at last things are starting to look up as Jodi sees a light at the end of the dark tunnel she has been trapped in for nine long hard months However it is never going to be that easy for Jodi seeing as she suddenly gets a blast from the past walking right back into her life and nothing will ever be the same again **Lily Loves To Love** Maureen Reil,2011-01-21 Have you ever read a book and thought I do not want the main

character to end up with the predictable hero I wish she had gotten with the other man instead Well here is your chance to change that scenario and choose whom you would like Lily to love In this book many comical things tend to happen to and around Lily Lockhart as she deals with her job her love life and her family Not to mention her friends So like a lot of us she is simply an ordinary woman trying to survive this modern world and not always getting it right before mistakes come back to bite her on the bum As the quirky but loveable girl just cannot help herself sometimes This is all before trying her hand at a spot of charity work when she decides that life is far too short to spend it selfishly At the start of the year she ends her engagement and before long there is plenty of male interest heading her way We are talking about The Handsome One Sean and The Funny One Tom In addition there is also The Rich One Peter but Lily cannot choose between them Therefore in the closing chapters it is down to you the reader to decide who wins Lily s heart since there is a fun multiple choice style ending to the story Will you pick the boyfriend the best friend or the boss Only one problem she s pregnant so who s the daddy
