Firesetter: Books 1 - 3 Box Set J. Naomi Ay, An epic adventure of galactic proportions A Thread of Time It was clear to Lance that his father hated him Why else would he leave everything to Hank except for that coin You know the one with some dude's head on it the ancient Euro or whatever it was Except it wasn't a Euro according to the pawnbroker Turns out it's an old Imperial Coin from the days of the Great Emperor and it might be worth a whole lot of dough on the other side of the galaxy if Lance could somehow manage to take it there But how does a guy who owes the hospital a lifetime's worth of earnings manage to travel across the stars Turns out he can do it for free Not only that but he can get three squares a day an apartment complete with roommates and two sets of clothes albeit in spandex It's like prison but with benefits It's SpaceForce In the meantime on the other side of the galaxy Ailana is stuck next to her hated cousin Embo in their grandmother's sewing shop forever listening to the old woman wax on about her glory days as a Royal Seamstress No matter how she tries Ailana can't break free of Grandmother and her needling even after the old woman is dead However it will be through her needle and thread that Ailana gains admittance into the privileged world of the nobility where fate will introduce her to a man that bears a striking resemblance to the face on Lance's coin Amyr's Command Lance

thought his life was going well He had his own ship the Flying Mule an awesome crew including his best friends Wen and Nood a lovely and intelligent teenage daughter Sandy and lucrative contracts hauling coconuts between two warring planets When a twist of fate sends the Flying Mule to an unscheduled stop at a nearby spacebase Lance s almost perfect world goes spiraling out of control His daughter disappears a leak in the hydraulic system temporarily grounds the ship and a SpaceForce safety auditor who just so happens to be sleeping with Lance s ex is demanding a full audit of his cargo Lance is forced to take evasive action To find his daughter he s got to leave the spacebase fast but the only way he can is by kidnapping the SpaceForce officer and allowing a strange alien guy with a propensity to light fires to join his crew Now Lance is at the mercy of the alien guy who not only knows where Sandy has gone but is taking the cargo to somewhere else to a planet in turmoil on the other side of the galaxy Three Kings Sandy is heading off to college as brand new cadet at the SpaceForce Academy when something goes horribly wrong with the transport plane Two hundred teenagers are trapped with only a drunken captain and a mechanical droid who is programmed to do nothing more than serve tiny cups of soda and non legume snacks Fortunately the Flying Mule is in the vicinity and a rescue is only moments away That s until the transport plane is sucked into a worm tunnel whisking everyone across the galaxy Back on Rehnor Dov has moved Ailana and her young son to his duchy in Kildoo after the destruction of yet another palace As no one else is sitting the throne Dov has declared himself the new king despite his lack of an army lack of funds and lack of subjects Ailana has contracted a disease and has requested to see her son Amyr before she dies Sir Bennet is now tasked with locating the elusive young man and dragging him back to Rehnor kicking and screaming In the meantime in Karupatani King Rekah frets about his own lack of funds to provide for the many immigrants returning to his shores If only they had something to sell something upon which they might build an economy
