The Lonely Hearts Trivia Night Lauren Farnsworth, 2024-06-18 Five lonely strangers join a bar trivia team in an effort to find friends but end up on a path that will change each of their lives forever in this heartwarming debut perfect for fans of Beth O'Leary and Sophie Kinsella. How do you make friends as an adult? That's one question lonely Londoners Bryony, Harry, Jaime, Luke, and Donna would really like the answer to. They tend to do better with questions of a different variety: trivia questions like "How did prosecco get its name?" and "Which Mariah Carey song has topped the charts in twenty-six countries?" In an effort to meet new people, the five not-yet-friends answer an ad seeking members of a bar trivia team, the Red Hot Quizzy Peppers. As the weeks go on, the disparate band of unhappy strangers becomes swept up in both the buzz of winning and the way quiz nights start to bond them together in friendship to the detriment of other parts of their lives. Despite all odds, the Quizzy Peppers might just have a shot at making the London Pub Quiz League's Grand Final if only they can get past the Golden Girls, the Banana Splits, and the Bombay Bad Boys. Utterly charming and uplifting, *The Lonely Hearts Trivia Night* is a story of finding friendship, love, confidence, and purpose just right for fans of Jennifer Weiner. *The Harrington Family* Diane Ellis, 2023-08-02 This is the story about George and Janice Harrington and their three children: Kim, Kevin, and Ashley. It tells how they love one another and they take the time to do things together as a family. It also tells about how they help other people whom they see are in need of help. They will try to help people who are down and out and are trying to make it back up to where they were before. Even though the family has their ups and downs, they always try to help each other in bad times. Kevin sees a man sleeping on a bench, and as he looks at the man, he recognizes him as someone he once knew, and he approaches the man and asks him if he went to school with him. The man doesn't want to say who he is, but Kevin invites the man to come home with him. When Janice sees that one of her students is having trouble in her class, she offers to spend some extra time with the student so he can catch up on his studies. When George sees that he can help a client of his who wanted a divorce because she has not seen her husband in two weeks, he went out of his way to help the woman find her husband.
