Piano Lessons Manual

Gilles Comeau

Piano Lessons Manual:

The Private Music Instruction Manual Rebecca Osborn, 2004 Future and current independent private music educators will find this book an invaluable resource for establishing and maintaining a private music studio. Private music instructors will learn what they should expect professionally, personally, and financially from their independent music instruction business. Until now, no single resource has existed that fully explains how to run this type of business successfully. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format. Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less than professional individuals who have made it difficult for legitimate, qualified instructors. The Private Music Instruction Manual shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in *The Private Music Instruction Manual* will help to improve any private music business. From the Midwest Book Review: *With The Private Music Instruction Manual: A Guide For The Independent Music Educator*, author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studios to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborn provides a wealth of invaluable, professional, effectively organized, and presented instructions on establishing and maintaining a music teaching business and shows what to expect professionally, personally, and financially from independent music instruction. If you want to make money teaching, other than how to play any kind of music instrument, then you need to give a careful and profitable reading to Rebecca Osborn's *The Private Music Instruction Manual*. [Piano Normal and Teacher's Manual](#) Pauline Heidelberger, 1947 **Oxford Piano Course** Ernest Schelling, 1932 [The Pianist's Resource Guide](#) Joseph Rezits, Gerald Deatsman, 1974 **The Independent Piano Teacher's Studio Handbook** Beth Gigante Klingenstein, 2008-12-01 Educational Piano Library This handy and thorough guide is designed to help the independent piano teacher in all aspects of running his/her own studio. Whether it be business practices such as payment plans, taxes, and marketing, or teaching tips involving technique, composition, or sight-reading, this all-inclusive manual has it all. Topics include: Developing and Maintaining a Professional Studio, Finances, Establishing Lessons, Studio Recitals, Tuition and Payment Plans, Composition and Improvisation, Marketing, Communications with Parents, Make-up Policies, Zoning and Business Licenses, Teaching Materials, and Learning Styles, The Art of Practice, Arts Funding, and many more.
