Myth of the "Manuscript Found" And The Complete Original Spaulding Manuscript George Reynolds,Samuel Spaulding, Any member of the LDS Church has been told reasons why the Book of Mormon just can t be true One of the most common that seems to persist in folk culture is the myth that Sidney Rigdon wrote the Book of Mormon by basing it on the Spaulding Manuscript The manuscript that Spaulding wrote and tried to sell to a publisher in 1812 contains the story of a group of ancient Romans that sail to the American continent and populate it Sidney Rigdon supposedly read this manuscript during his acquaintane with the publisher and used it as a basis for what would become the Book of Mormon The first half of this book the eleventh book in the Faith Promoting Series was originally published by Deseret Book in 1883 examines both the story behind the manuscript and the claims that Rigdon wrote the Book of Mormon It was published the year that Spaulding s original manuscript was found in papers donated to Oberlin University It details not only the differences between the manuscript and the Book of Mormon but also gives additional information that may be useful when a member of the Church is asked to defend the Book of Mormon from detractors Following the Faith Promoting Series book I have also included the text of the original Spaulding Manuscript as it has been transcribed from the original manuscript submitted to the published by Spaulding As an adventure story it has some interesting moments but it really can t compare to the Book of Mormon in excitement or depth I hope that you enjoy perusing it and that someday it will come of use to you when discussing the Book of Mormon

Early Scenes In Church History George Q. Cannon, This book the eighth in the Faith Promoting Series is a collection of very precious stories from early Church history Unlike other books written about the Saints in the early days of this dispensation this book is compiled from the oral histories of the early Saints who lived the experiences Just as Alma the Younger in the Book of Mormon asked an important question to the people of Nephi that applies to us as Latter Day Saints as well In Alma 5 6 he says And now behold I say unto you my brethren you that belong to this church have you sufficiently retained in remembrance the captivity of your fathers Yea and have you sufficiently retained in remembrance his mercy and long suffering towards them And moreover have ye sufficiently retained in remembrance that he has delivered their souls from hell As Latter Day Saints remembering the sufferings of the pioneers and early Saints the mercies and long suffering shown to them by our Heavenly Father and learning of their deliverance by His hand will strengthen our faith and bring us closer to

Him I hope that all who read these miraculous accounts will gain strength from them and see an increase in their faith May we always retain in remembrance these stories

Helpful Visions O.F. Whitney, Thomas A. Shreeve, When loved ones pass on how far away have they traveled If given a short time remaining in which to live what would you do to make the most of what you were given When prayers for healing are denied and the gift of life taken could peace fill your soul Would you be willing to accept the outcome even though it was not what you had hoped Given a difficult assignment is it still possible to trust God will be merciful to guide and protect those who put His will before their own Several short stories in a unique collection that show the powers of Heaven and Earth are closely aligned for the eternal purposes of a loving and eternal Father in Heaven

Eventful Narratives Robert Aveson, Oliver Huntington, Eventful Narratives is the thirteenth book in the Faith Promoting Series It is comprised of three narratives the story of an English convert running away from home to join the saints in Utah the story of a martyr in the Battle of Nauvoo and the faith of his plural widows and the account of a member's survival on a government expedition outside of the Salt Lake Valley into Native American territories All three of these narratives written to inspire the youth of the church through the exceptional examples of saints before them give modern day saints an insight into the trials experiences and faith of the saints in the past Most importantly these events testify of the divinity of the Gospel of Jesus Christ These real life experiences show how the Gospel can bless followers of Christ and give saints the faith to endure regardless of whatever trials they will face in this life They also give a historical perspective on the eternal nature of the human soul and the eternal consequences of mortal actions for better or for worse In the words of the publishers the purpose of publishing these narratives has been and is to increase faith in the hearts of those who peruse them by showing how miraculously God has overruled everything for the benefit of those who try to serve Him
