**Shaping Education Reform in China** Jian Li, Eryong Xue, 2020-09-15 This book examines the ways education reform has been shaped in China Focusing on the past education policy development it offers unique perspectives to illustrate China's education reform and provides an overview of policies and their implications In addition the book discusses educational development educational value educational efforts and educational tasks and explores physical aesthetic and labor education as well as the management of off campus training institutions and the policies on abolishing the Five Only in contemporary China Conceptualizing the education reform model in China since 1949 for the first time the book maps Chinese education policy development **Portland, Oregon**, **Resources in Education**, 1998 **Tackling Health Inequalities** Dennis Raphael, 2012 Tackling Health Inequalities Lessons from International Experiences provides a unique perspective on health inequalities in Canada and elsewhere This exciting new volume brings together experiences from seven wealthy developed nations the United States Australia Britain and Northern Ireland Canada Finland Norway and Sweden to analyze their contrasting approaches to reducing avoidable health problems Some nations are successfully responding to health inequalities but Canada and the United States are not among them Why is this and what can we learn

from other nations Through a political economy lens *Tackling Health Inequalities* considers how societal structures and institutions shape the distribution of economic political and social resources that affect health disparities amongst the population The volume then goes on to examine how governing authorities come to either confront or ignore these health inequalities and the conditions that create them Through these illustrations it encourages governing authorities that are tackling health inequalities to continue their efforts and directs those that are not such as in Canada and elsewhere towards what must be done This groundbreaking text shows the primary lessons from these international experiences that citizens in Canada and elsewhere need to educate themselves about the importance of tackling health inequalities and then build the political and social movements that will compel governmental authorities to take action This volume will serve as a rich resource for professionals and general readers interested in health studies nursing social work public policy and political economy

*The Primary Solution* Nick Troiano, 2024-02-27 In a divided America the biggest solvable problem fueling political extremism and dysfunction is hiding in plain sight party primaries The Primary Solution is the thought provoking Arnold Schwarzenegger answer the country needs Congress has become an unproductive and unaccountable mess Polls show that only twenty percent of Americans think it s doing a good job yet ninety percent of incumbents are reelected This shocking discrepancy is a natural outcome of our system of party primaries and their polarizing incentives Party primaries were invented over a century ago to democratize candidate nominations but today their exclusionary rules and low turnout guarantee the exact opposite only a small fraction of votes wind up deciding the vast majority of our elections The result is a Congress that rather than representing a majority of Americans is instead beholden to the fringes of both major parties This is the primary problem in our politics today Fortunately The Primary Solution illuminates a powerful yet practical pathway out James Stavridis Admiral US Navy Retired and is a must read for anyone who wants a sane democracy Danielle Allen author of *Our Declaration* Nick Troiano founding executive director of Unite America makes a bold proposal to abolish party primaries in our country Doing so does not require a Constitutional amendment or an act of Congress In fact several states have already replaced party primaries with nonpartisan primaries that give all the voters the freedom to vote for any candidate in every election regardless of party A fresh timely political analysis Kirkus Reviews The Primary Solution offers voters across the political spectrum a realistic roadmap to a more representative and functional democracy
