*Runner in the Dark* Ed Gorman, 2016-06-18 It's been five years since David Gerard got out sprung from the courtroom in a hail of bullets that left nine dead and left his brother Roy in jail under sentence of death Now Roy faces electrocution unless David can pull the plug District Attorney Jessica Dennis believes in the ultimate sanction She's prepared to debate the ethics of the death penalty on television a few hours before Roy is due to die It's a program the whole city will be watching David has a helicopter a pilot and two callous killers on his team But neither of them thirst for revenge the way he does And the chief object of his vengeance is the blonde and beautiful prosecutor who has placed his brother in the electric chair Tonight

David aims to get even with Jessica and save his brother's life. He's taking over a live TV broadcast and holding a city to ransom. Whatever the outcome, no one will be switching channels. *The Girl in the Attic* Ed Gorman, Patricia Lee Macomber, CONNECTION TO THE GRAVE The antique telephone sat in the darkness in the attic. Dust and cobwebs obscured its once gleaming surface. Wires hung limply from its rusted innards. It should have been nothing more than an interesting piece of junk. Except that sometimes late at night the occupants of the hotel rooms below swore they heard it ringing. SUMMONS FROM BEYOND At first thirteen-year-old Jamie wasn't sure what had awakened her. Then she heard it again. A telephone ringing. Slowly she crept up the attic stairs. She had to answer the phone. She had to listen to the voice that whispered through the receiver. And then she had to do its horrifying bidding. *The Silver Scream* Ed Gorman, 2003-01-01 Kensington is a small town that attracts holiday makers. On a stopover the Warner family fall in love with the place. They like the town and its inhabitants who seem to be inspired by their local pastor. But everything changes when their daughter disappears and they find out the truth about the town. **The Babysitter** Ed Gorman, Screaming and violent little Jenny had never behaved as such until The Babysitter. As the teenager entered the house the grandmother was aware of her striking disturbing beauty, a disturbing beauty that hides an ancient curse. Several Deaths Later Ed Gorman, 2016-09-17 The popular game show Celebrity Circle is something of a graveyard for show biz mediocrities, so Tobin the five-foot-five movie critic with the fiery hair and the equally fiery temper is less than thrilled to accept a guest stint as the show films a week's worth of broadcasts aboard an ocean liner. But Tobin's career has hit the skids since he solved his TV partner's murder. Murder on the Aisle: money is money and besides he gets a free cruise in the bargain. But someone on board has more in mind than fabulous prizes and Ken Norris the smarmy emcee of Celebrity Circle turns up with a knife in his back. The Captain blames Cindy McBain the young secretary from Kansas City in whose room the victim's body was discovered. Although Tobin finds her wearing nothing but a robe covered in Norris blood, he thinks she is innocent if less than pure and he swears his belief has nothing to do with her incredible body or her enthusiastically expressed affection for celebrities. **Run to Midnight** Ed Gorman, 2016-06-18 ONE MORNING KATE EVANS OPENED HER DOOR TO A DYING FRIEND AND INVITED TERROR INTO HER LIFE. His last breath held the secret of his murder. Just one word key. Kate thought she understood. It was the key to a safe deposit box. The key to a scandal. The key to blackmail. But Kate understood too much. Kidnapped at gunpoint, Kate and her famous client the glamorous pop star Riki must face the most terrifying ordeal of their lives. A cross-country journey driven by madness, obsession, murder. And Kate and Riki are along for the ride. *Survival* Ed Gorman, 2015-03-26 It's the far future. Fascist religious terrorists have all but wiped out the human race with nuclear weapons and only small pockets of civilization survive. They have gathered in the hospitals where ever-shrinking supplies and medical staffs have become the core power in hospital fortresses. There are no pain killers left at least not of the chemical variety. There are children small frail suffering from an affliction akin to autism but able to drain away the pain of the world. Until they run out. Until they take

a grip on your soul and the last of your humanity In the end the price of survival may be too high *The Forsaken* Ed Gorman, 2017-02-18 There was ANNA the town's bad girl mistreated and abused who made the ultimate sacrifice to get her revenge THE FORSAKEN The FORTUNE TELLER whom the town ridiculed but not for long THE FORSAKEN PATRICK the handsome fifteen year old boy whose nightmare started with a strange birthmark and a message from beyond the grave THE FORSAKEN Soon the children of Camp Henderson and the adults of the neighboring small towns would never again forget THE FORSAKEN *The Night Remembers* Ed Gorman, Ed Gorman has established himself as a writer whose lean prose and deep compassion set his books apart from everything else in the genre in the words of Loren D Estleman Now in *The Night Remembers* Gorman delivers his most powerful work to date a book that at once pays homage to the great noir novels of the 1930s and 40s and expands upon that tradition The time is the present the setting Cedar Rapids Iowa the hero private detective Walsh a man weary of a past he cannot escape Walsh has recently retired from the sheriff's office and he is preoccupied with wrenching personal turmoil But Walsh's past won't leave him alone it comes to visit him one day in the person of Lisa Pennyfeather the wife of a man Walsh sent to prison for murder twelve years before Lisa wants Walsh to clear her husband's name Walsh is reluctant but he is drawn into the case when a woman's corpse is discovered in the Pennyfeather's back yard a week after George Pennyfeather is released from prison Is George being framed and if so was he framed twelve years before Walsh torn by the thought that he may have helped put an innocent man through twelve years of hell starts looking for answers Are George's former employees and family friends Paul and Richard Heckart as upstanding and compassionate as they appear Was Lisa having an affair with low life wheeler dealer Karl Jankov the man George was convicted of killing Who was the woman found murdered in the Pennyfeather's back yard and what was her connection to the Jankov murder As Walsh delves deeper into the case he discovers that things thought long buried can rear up suddenly ominously out of the night ***The West Indian Novel and Its Background*** Kenneth Ramchand, 2004 An account of the emergence of the West Indian novel in English this work provides valuable insights into the social cultural and political background offering concise and focused accounts of the growth of education the development of literacy and the formation of West Indian Creole languages ***Six Tales of the Jazz Age and Other Stories*** F.
