The Killdeer And Other Stories From The Farming Life:

The Killdeer and Other Stories from the Farming Life Michael Cotter, 2014-09-30 **The Land**, 1952 *George Scarbrough, Appalachian Poet* Randy Mackin, 2011-09-29 A writer's writer East Tennessee poet and novelist George Scarbrough enjoyed a career that spanned eight decades and included numerous awards This biography makes use of Scarbrough's personal journals to tie his literature to his life and presents previously unpublished poetry letters and prose pieces Somewhat overlooked during his lifetime he is as this book demonstrates among the best poets of the 20th century

Land, 1952 **Studies in the Land** David Clayton Smith, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company Reflections of a Life Allen Gilbertson, 2016-02-24 The principal Mr Peterson said I should consider the military because I had a lot of growing up to do Imagine that Mr Schilling told me that I should consider the Air Force because he did an enlistment and liked it I never had any plans for college anyway I knew I didn't want to farm the rest of my life so I guess the seed was planted At that time we were visited by the various military recruiters so I took more of an interest in the possibility of joining up I knew that there was a good possibility that I would be drafted for Vietnam and of course I wanted to join the Marines just like Dad did so I could kill bad guys but Dad told me no way in hell was I going in the Marines I actually listened to him *Trilobites & Other Stories* Breece Pancake, 2014-06-25 The stories in this collection nearly all take place in and around the mountain hollows of West Virginia a world of cock fighting coal mining deer stalking sex depression drinking and death It would be easy to allow his one collection of stories to be buried under the landslide of books published every year But it's worth doing a little excavating to dig it up The past few years have seen late in the day and posthumous revivals of interest in writers such as John Williams Get out your pickaxes New Yorker Breece D J Pancake left behind an astonishing achievement He was a master of a distinctly American vernacular which he used to remind us of all the ways that fiction could teach us about ourselves These stories are absolutely essential reading Kevin Powers author of *The Yellow Birds* **The Land and Land News**, 1952 **The Last of the Husbandmen** Gene Logsdon, 2008 Part morality play and part personal recollection *The Last of the Husbandmen* is both a lighthearted look at the past and a profound comment about the present state of farming life It is a novel that captures the spirit of those we have chosen to work the land they love BOOK JACKET *Building Sustainable Worlds* Theresa Delgadillo, Ramon H. Rivera-Servera, Geraldo L. Cadava, Claire F. Fox, 2022-07-12 Latina o x places exist as both tangible physical phenomena and gatherings created and maintained by creative cultural practices In this collection an interdisciplinary group of contributors critically examines the many ways that varied Latina o x communities cohere through cultural expression Authors consider how our embodied experiences of place together with our histories and knowledge inform our imagination and reimagination of our surroundings in acts of placemaking This placemaking often considers environmental sustainability as it helps to sustain communities in the face of xenophobia and racism through cultural expression ranging from festivals to zines to sanctuary

movements It emerges not only in specific locations but as movement within and between sites not only as part of a built environment but also as an aesthetic practice and not only because of efforts by cultural political and institutional leaders but through mass media and countless human interactions A rare and crucial perspective on Latina o x people in the Midwest Building Sustainable Worlds reveals how expressive culture contributes to and sustains a sense of place in an uncertain era
