How This Night Is Different Elisa Albert, 2006-07-10 Elisa Albert's debut story collection marks the arrival of an extraordinary new voice in fiction In *How This Night Is Different* Albert boldly illuminates the struggles of young disaffected Jews to find spiritual fulfillment With wit and wisdom she confronts themes self deprecation stressful family relationships sex mortality that have been hallmarks of her literary predecessors But Albert brings a decidedly fresh iconoclastic twenty first century attitude to the table Holidays gatherings and rites of passage provide the backdrop for these ten provocative stories The characters who populate *How This Night Is Different* are

ambivalent, jaded and in serious want of connection. As they go through the motions of familial duty and religious observance, they find themselves continually longing for more. In prose that is by turns hilarious and harrowing, Albert details the quest for acceptance, a happier view of the past and, above all, the possibility of a future. From the hormonally charged concentration camp teen tour in *The Living* to the sexually frustrated young mother who regresses to bat mitzvah aged antics in *Everything But*, and culminating with the powerful and uproariously apropos finale of *Etta or Bessie or Dora or Rose*, *How This Night Is Different* is sure to titillate, charm and profoundly resonate with anyone who's ever felt conflicted about his or her faith, culture or place in the world.

Holocaust Memoir Digest Esther Goldberg, 2004. Presents synopses of 21 published memoirs of Holocaust survivors written by various authors. The aim of the digest is to make the contents of the memoirs available for Holocaust educators, students and researchers. Each entry contains publication details, a summary focusing on the main topics, e.g. prewar Jewish life, daily life in ghettos, deportations, Nazi camps, death marches, resistance and rescuers, a list of place names and maps. Each volume includes 30 new color maps prepared by Martin Gilbert.

Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08. *Long Night's Journey Into Day* is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought. To Jews, the Holocaust is the most terrible happening in their history, but it must also be seen as a Christian event. The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust, examining such issues as the relation between human and demonic culpability, the charge of God's guilt and the reality of forgiveness. They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils. This enlarged and revised edition takes into account new topics and developments, including the issue of Austrian responsibility for the Holocaust, the significance and aftermath of Bitburg and antisemitism in German feminism. More detailed attention is also given to other modern genocides and occasions of humanly caused mass death. Additional literary, historical and religious works are considered and appropriate quotations incorporated. The new edition also includes a revised preface, an updated bibliography and two new appendices.
