Then you can easily express your creativity by managing aperture, shutter speed, ISO and editing your photographs on a computer. You will download photos and print them to share with your friends and family. You will find out how to Master camera controls. Use automatic and manual modes. Change focus and zoom lenses. Adjust picture quality and resolution. Manipulate exposure and lighting. Work with picture files. Print and share photos. Complete with lists of ten photo retouching tricks from repairing red eye to cropping photos and ten special purpose features you can explore on a rainy day. *Nikon D60 For Dummies* is your one stop guide to taking and sharing the pictures like a pro.

Nikon D60 Digital Field Guide J. Dennis Thomas, 2011-08-02 As an introductory level digital SLR, the Nikon D60 offers one button simplicity using the Auto function or countless options using the more complex manual controls. *Nikon D60 Digital Field Guide* is filled with everything you need to know to capture amazing photographs using your Nikon 60. Starting with a Quick Tour which will help you use your Nikon D60 straight out of the box, this book will help you graduate from using the Auto function in every situation to using the more complex manual controls with confidence. This full color portable guide walks you through the essential controls, features and functions of the Nikon D60 digital SLR using step by step instructions and full color images of each menu screen. This robust guide not only shows you how to adjust white balance, autofocus, exposure and choose lenses, it also teaches you when and why you should adjust each of these key settings. Additionally, the *Nikon D60 Digital Field Guide* goes beyond camera settings to offer you a refresher guide to the principles of digital photography, covering the essentials of lighting, composition and exposure. Filled with amazing examples of actual Nikon D60 photography, this book also presents a variety of tips and tricks to capturing portraits, candid shots, sports, travel, macro photography and much more.

Nikon D60 Corey Hilz, 2012-09-10 Focal Digital Camera Guides. *Nikon D60* Just bought a Nikon D60 and looking to combine practical know-how with inspiration. This one-stop, easy-to-read guide covers all the basic functions of the camera and everything beyond. For the basics, turn to the quick start guide which will get you up and running in five minutes. For an understanding of your camera's many controls and features, check out the section called The Camera. If all you need is a quick explanation, you'll find it. If you're looking for the Whole Story, you'll find that too. Settings that affect how your pictures look are accompanied by full color examples that show you exactly what you can expect. This section also

covers the camera's menus, playback features, memory cards and power sources. The section called Software shows you how to get the most out of your camera's software. It covers downloading, editing your photos, RAW conversion, storing your images, managing your library and backup strategies to name just a few topics. Ultimately, this book's greatest strength isn't its focus on the camera or the software; it's the detailed, easy-to-follow instruction it offers on using your camera to take truly superior photographs. Sections devoted to lenses, subject matter and light cover these variables in depth, always presenting the most effective techniques in the context of the strengths and limitations of the Nikon D60. Written by a widely acclaimed photographer and photography instructor, Nikon D60 shows you how to get the shots you can see in your head but have never been able to capture with a camera. The quick start guide will have you taking great photos in five minutes. In-depth coverage of every feature and control ensures that you have access to the tools you need for every shot. Full-color examples demonstrate how different settings affect your photos. Expert coverage of lenses, lighting and subject matter gives you the practical knowledge you need to go after any shot. Step-by-step instructions on photo editing and image management help you get the most out of your camera's software. A detailed review of accessories for your camera explains which of these add-ons offer the most value for your needs. Dozens of tips and tricks prepare you for every situation you're likely to encounter in the field, at the studio or at your next wedding or family reunion.

Magic Lantern Guides: Nikon D60 Multimedia Workshop Matt Paden, 2009. Magic Lantern Guides Multimedia Workshops. The world's best photographic package. Magic Lantern Guides and DVDs have always provided the very best, most in-depth coverage of a camera's ins and outs. Now there's even more magic on the market for photographers: the MAGIC LANTERN MULTIMEDIA WORKSHOP. It's a complete class in digital photography with a D SLR camera, one that enables you to learn the essentials at your own pace in the comfort of your own home. The attractive package includes:

- Specific 80-minute DVD: An authoritative DVD guide made just for your model. Created by photographers for photographers, it covers specific camera features and functions. The format allows you to navigate easily between different topics and review chapters any time.
- Taking Great Digital Photos: This full-color 64-page book gets newcomers to the digital world started right. Packed with picture-taking tips and information on digital file formats, it explains how f-stops and shutter speeds work together to create an exposure, which focal lengths are best for various subjects, and how to get accurate color with white balance.
- Great Photos with Your Digital SLR: 60-minute DVD. This live-action tutorial demystifies digital shooting and shows how to compose photos, choose the best picture quality settings, improve results with the built-in flash, and interpret your histogram. Plus, see when to trust your camera's automatic settings or change them yourself.
- Quick Reference Wallet Card: This laminated take-along is an ideal in-the-field key to camera and menu operations. There's nothing else like this on the market.
