The Jesus Factor:

The Jesus Factor Edwin Corley, 1984-12-01 **The Jesus Factor** Richard Glynne Hughes, 2018-08-06 The End of Times as viewed by Jessie Simpson Revelation is revealed in this spellbinding thriller Follow Jessie as he experiences the end of the **The Jesus Factor** David Manuel, Don Wilkerson, Reginald Yake, 1977 world through the eyes of a christian Factor Roxanne B. Trotter, 2015-04-10 This is He who came by water and blood Jesus Christ not only by water but by water and blood And it is the Spirit who bears witness because the Spirit is truth For there are three that bear witness in heaven the Father the Word and the Holy Spirit and these are one And there are three that bear witness on the earth The Spirit the water and the blood and these three agree as one If we receive the witness of men the witness of God is greater for this is the witness of God which He testified of His Son He who believes in the Son of God has the witness in himself he who does not believe God has made Him a liar because he has not believed the testimony that God has given His Son And this is the testimony that God has given us eternal life and this life is in the Son He who has the Son has life he who does not have the Son does not have life These things I have written to you who believe in the name of the Son of God that you may know you have eternal life and that you continue to believe in the name of the Son of God The Politics of Jesus Charles Tuttle, 2016-10-07 In the The Politics of Jesus author Charles Tuttle offers a fresh perspective on politics by contrasting Jesus **Intervention Narratives** Purnima Bose, 2020-01-17 Intervention political outlook with America's hot button issues Narratives examines the contradictory cultural representations of the US intervention in Afghanistan that help to justify an imperial foreign policy These narratives involve projecting Afghans as brave anti communist warriors who suffered the consequences of American disengagement with the region following the end of the Cold War as victimized women who can be empowered through enterprise as innocent dogs who need to be saved by US soldiers and as terrorists who deserve punishment for 9 11 Given that much of public political life now involves affect rather than knowledge feelings rather than facts familiar recurring tropes of heroism terrorism entrepreneurship and canine love make the war easier to comprehend and elicit sympathy for US military forces An indictment of US policy Bose demonstrates that contemporary imperialism operates on an ideologically diverse cultural terrain to enlist support for the war across the political spectrum The Mended Heart Suzanne Eller, 2014-02-20 Being hurt and heartbroken is a sad reality for most of us But I m so thankful for this treasure of a book written by my friend Suzie Eller Page by page Suzie will help you understand how God's truth can heal your pain so you can move forward whole and healed Lysa TerKeurst New York Times Bestselling Author and President of Proverbs 31 Ministries Brokenness happens Tragedy sin or the painful choices of others all have the ability to disrupt an otherwise contented life And as a result of our heartache we often attempt to fix our own brokenness with disastrous results If you ve tried to heal but keep ending up in the same place whether the battle is in your heart or out in the open where everyone can see The Mended Heart is for you In this book author Suzanne Eller tells it like it is people throw guick fixes at

you or tell you to pull yourself up by your bootstraps whatever that means More important though she shares the powerful truth of Jesus mission as outlined in Luke 4 18 21 He came to set free all those who are oppressed and in need of mending You don't have to fix yourself Jesus loves you right where you are In fact He has already completed the work that needs to be done The Mended Heart will encourage you to trust Him to give and receive grace and to move ahead even stronger than before even if others don t move with you The Faithfulness of Jesus the Messiah Walter D. Zorn, 2020-10-26 Strange how one little word the Greek word pistis can make a profound difference in understanding the Bible Pistis is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader's understanding of Paul's expression pistis Christou faith faithfulness of Christ and the use of the pistis word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah New and fresh interpretations of various texts will challenge the traditional understandings of such texts When a person comprehends pistis as God s faithfulness and the Messiah's faithfulness the only human response is pistis itself meaning faithfulness as described in Hebrews 11 God is faithful and Jesus is faithful Will he find us faithful Jesus Matters James R. Krabill, David W. Shenk, 2009-05-26 Jesus Christ is popular with many North Americans but do they honor the Jesus of Scripture Each author in this collection teams with one or more young adults to consider the various ways we encounter and experience Jesus Topics include Jesus and creation Jesus and the cross Jesus and salvation Jesus and mission and Jesus and the future Authors include Stanley Green Michele Hershberger Mark Thiessen Nation Willard Swartley Jack Suderman and April Yamasaki Foreword by Shane Claiborne Free downloadable study guide available here **Miracles : 2 Volumes** Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

The God Strategy David Domke, Kevin Coe, 2008 This volume offers a timely and dynamic study of the rise of religion in American politics examining the public messages of political leaders over the past seventy five years The authors show that U S politics today is defined by a calculated deliberate and partisan use of faith that is unprecedented in modern politics Beginning with the election of Ronald Reagan in 1980 America has seen a no holds barred religious politics that seeks to attract voters identify and attack enemies and solidify power Domke and Coe identify a set of religious signals sent by both Republicans and Democrats in speeches party platforms proclamations visits to audiences of faith and even celebrations of Christmas The updated edition of this ground breaking book includes a new preface an updated analysis of the last Bush administration as well as a new final chapter on the Jeremiah Wright controversy the candidacies of Mike Huckabee and Sarah Palin and Barack Obama s victory **Do Something Else** Nathaniel D. Phillips, 2016-02-05 Do Something Else is meant to encourage faith communities and their leaders to reconsider church as usual reengage Spirit led entrepreneurialism and reimagine new models of ministry bubbling up in their midst Many churches and leaders are already setting the pace They are establishing new gatherings in old buildings and using new building to do old things They are emphasizing diversity welcome and friendship If these stories are hidden from view they shouldn t be These pages will uncover how new expressions get started how they are led how they struggle and how they are sustained Do Something Else will encourage candidates for ministry who see limited options ministers who wonder about staying in ministry clergy call seekers trying to find hope in a desolate career landscape and churches attempting to manage staffs with limited resources It will also offer permission to small churches resigned to be without a pastor larger churches looking to do a new thing in an unorthodox way and middle governing bodies who need promising examples of working models in order to take the risk on new opportunities Faith in Hebrews Victor (Sung Yul) Rhee, 2019-05-15 Victor Sung Yul Rhee argues that faith in Hebrews is both christologically and eschatologically oriented In response to the assertion that faith in Hebrews is removed from Christ he contends that the author of Hebrews portrays Jesus as both the model and object of faith Rhee also maintains that the eschatological outlook in Hebrews is not the Hellenistic concept of visible and invisible reality but the temporal orientation of present and future The ethical aspects of faith must be interpreted within the context of Christology and eschatology to have a proper understanding of faith in Hebrews **Strength and Dignity** Shelley Rivelli, 2019-02-13 Shelley Rivelli believes that nothing can separate us from the love of God Romans 8 3839 and that it is in this very love that we are clothed in strength and dignity Sharing your story is what connects us and that is what Shelley has done Through transparency laughter and some tears Shelley brings you through her journey May you allow her stories to inspire you to discover your own strength and dignity through the relentless love of your heavenly Father In the worst moment I stood in my kitchen and asked the Lord to give the command to save me And he did I wish I could say the saving came easily or quickly but it did not It came with difficult decisions heartbreak and mistakes The saving came when I was ready to say Your

will not mine and mean it The saving came with my full surrender Shelley Rivelli New Testament Christology Frank J. Matera, 1999-01-01 How should we understand the Christ of the New Testament What is the biblical framework that theologians and students must master if their systematic Christology is to be rooted in Scripture In this book Frank Matera answers these questions through a comprehensive study of the Christology found in the New Testament Faith-based Treatment Programs United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2002 **Atheism** Michael Ruse, 2015 Atheism What Everyone Needs to Know provides a balanced look at the topic considering atheism historically philosophically theologically sociologically and Signs of the Times Brian A. Ross, 2016-03-18 All ministry leaders concern themselves with the psychologically intersection of Jesus centered ministry and contemporary culture They ask themselves questions such as What do we need to change in order to keep up with a wired world What should never change What are the nonnegotiables of faith in Jesus Many have attempted to answer these questions However most of these leaders offer solutions that the everyday ministry leader simply cannot replicate Signs of the Times is a unique offering to those who wrestle with the mash up of ministry and culture All of the contributors have found success within their ministries and yet most do not minister to thousands on a weekly basis Additionally all of them have had the privilege of studying directly with Dr Leonard I Sweet Despite having authored more than fifty books Sweet can still be a bit of an enigma Many of his readers have been deeply influenced by him and yet they may still struggle to understand what his insights might mean for their ministry Each of the contributors to this work thoughtfully engages with a key idea that they personally learned from Sweet and they translate it for ministry in the early **New Testament Theology** G. B. Caird,1994-06-03 Generations of students have known G B Caird as twenty first century a penetrating and lucid guide to the many questions and problems posed by modern biblical study His brillant commentaries on St Luke the Book of Revelation and St Paul s Prison Epistles as well as his other studies on theology and the Bible have won for him a place among the twentieth century s foremost biblical scholars This new and masterly presentation of New Testament theology completed and edited since the author's death by Professor L D Hurst takes the unique step of setting up an imaginary debate amongst the various authors of the New Testament themselves As central concepts predestination sin atonement the church sacrament ethics eschatology and christology are discussed between such figures as Luke Paul John and the author of Hebrews the work moves to its climax with a presentation of the theology of Jesus himself The result provides a particularly fresh and illuminating picture of the ideas at the heart of Christianity deserving a place on the shelf of every serious pastor theologian and student of the Bible Untamed (Shapevine) Alan Hirsch, Debra Hirsch, 2010-02-01 Discipleship is costly Are we willing to critique and even challenge much we ve been taught for the sake of the kingdom For this is the radical nature of the discipleship to which Jesus calls us He did not allow the outside culture to hold him captive instead he established the kingdom of God and turned the world on its head Jesus was untamed and he calls his church to be

the same In this provocative and compelling book internationally known missiologists Alan and Debra Hirsch overthrow culturized understandings of theology and culture and cast a vision for a distinctly mission shaped way of living the Christian life Written for any Christian serious about issue of discipleship Untamed covers such topics as church humans as bearers of the image of God family life culture and sexuality Through it all they seek to answer the question how are we to think and live day to day as followers of Jesus Each chapter ends with suggested practices to help readers begin to live out the book s principles as well as questions for group discussion
