Olson, 2023-10-10 Revenge meets Promising Young Woman in this thrilling debut about a vigilante on a mission to take down predatory men perfect for fans of Jeneva Rose and Layne Fargo Dylan Truman better known under her alias Lady Justice is the bane of every grifter cheater and bully in the Bay Area Alongside her best friend and hacktivist Daniel Haas she works as a revenge for hire vigilante seeking retribution on behalf of her predominantly female clientele When a prospective client brings up a fraud complaint against pharmaceutical CEO Brent Wilder Dylan s business becomes personal Years earlier Wilder assaulted Dylan s sister and got away with it And now it s time to make him pay But she may be doing it alone Daniel is ready to leave the business and settle down with a stable and safe job Dylan is devastated not only is she losing her partner and one of the most talented digital private investigators in the city she s beginning to realize her feelings for Daniel are deeper than she thought But with Brent s increasing paranoia comes life threatening danger and Dylan must keep her head in the game With the clock running out fast Lady Justice must choose between vengeance at any cost and giving it all up for the man who may actually love her back Dylan s always tried to protect those she loves by walking her path alone but perhaps there is another way to ensure justice is served **The Vow** K. T. Roberts, 2020-10-27 Two can keep a secret but only if one dies With NYPD s finest on the hunt to find who killed one of their own the newly promoted Jessie Kensington won t stop until she finds her best friend s killer even pushing her wedding plans aside Convalescing after being shot during a hostage situation Jessie s

partner Zach Gerard is doing whatever he can to help her solve this crime because he knows she won't focus on their wedding if he doesn't. When the case appears to be at a dead end, Jessie remembers Maureen's compulsion for detail and the nagging feeling that tells her she's missed something. A late night visit to the crime scene reveals a carefully constructed chess-like sequence of clues left behind in the dangerous game Maureen played that is so devastating it will leave her community of brothers and sisters reeling. Now the focus is on discovering where those clues lead even if it means putting her own life at risk.

Missing You Harlan Coben, 2014-03-13 It's a profile like all the others on the online dating site. But as NYPD Detective Kat Donovan focuses on the accompanying picture, she feels her whole world explode as emotions she's ignored for decades come crashing down on her. Staring back at her is her ex-fiancé Jeff, the man who shattered her heart eighteen years ago. Kat feels a spark wondering if this might be the moment when past tragedies recede and a new world opens up to her. But when she reaches out to the man in the profile, her reawakened hope quickly darkens into suspicion and then terror as an unspeakable conspiracy comes to light in which monsters prey upon the most vulnerable. As Kat's hope for a second chance with Jeff grows more and more elusive, she is consumed by an investigation that challenges her feelings about everyone she ever loved: her former fiancé, her mother, and even her father whose cruel murder so long ago has never been fully explained. With lives on the line, including her own, Kat must venture deeper into the darkness than she ever has before and discover if she has the strength to survive what she finds there.

The Ill-Tempered String Quartet Lester K Born, 2024-10-14 Witty and practical, this book is for amateur string instrument players who want to play quartets and other forms of chamber music. It covers everything. The long chapter discussing the literature is exceptionally valuable.

The String Quartet Jos Langens, 2021-12-01 Have you ever thought about how you, as a human being, are part of a species that makes the fate of all other living things entirely subservient to its own needs and uses its fellow inhabitants purely to meet those needs? What would happen if that were to change? What would happen if people chose to exchange that which makes them human for something else? That's what seems to be happening in *The String Quartet*. A string of seemingly inexplicable events gradually reveals how our anthropocentric way of life is about to be fundamentally and irrevocably changed. Classical string quartet music plays a central role in these events. How do these situations arise and what is the driving force behind the sometimes irrational choices people make or seem to make of their own free will? The events described in *The String Quartet* and the resulting choices people make invite you, as a reader, to reflect on your own situation and how you lead your life. What choices have you made and what choices will you make in the future? And how sure are you that those choices are yours?

Only We Know Karen Perry, 2015-06-04 From the bestselling author of *The Boy That Never Was* and *Girl Unknown*, *Only We Know* is a gripping novel that shows just how dangerous our childhood secrets can be. In 1982, on a once-in-a-lifetime holiday beneath the stifling heat of the midday sun, three children start a game that ends in tragedy. Now thirty years later, Nick, Luke, and Katie are estranged yet still bound together by the dark truth of what

happened at the river that day Except some secrets won't stay buried And when Luke suddenly vanishes and the threatening messages begin it seems that the strings of the past are tightening around them all Because someone else knows what they did and is intent on seeking justice at any cost Praise for *Only We Know* Only We Know builds handsomely on the promise of *The Boy That Never Was* plausibly and hauntingly exploring the extent to which guilt shame and secrecy can shape define and eventually destroy lives Declan Burke *The Irish Times* This is an intense and subtle story with some wonderfully poetic passages and a character driven plot which becomes more compelling as the sense of momentum gathers and the true version of events is slowly revealed Gripping stuff *Sunday Mirror* The power of *Only We Know* lies in the slow illumination of how under their flimsy cloaks of adulthood Katie and Nick and Luke are still the traumatised children of a long ago day by a river frozen in time by one event It raises fascinating questions about who we are at heart about the degree to which damage and guilt can shape our natures and about whether and how we can be redeemed Tana French Don't be surprised if you

This Naked Light Paul Matthews,2018-05-15 The book has five movements Conflagrations The tongue is a fire both for love and destruction Habitations How can we feel at home if our things don t speak to us or we fail to inhabit our moments Adorations The women portrayed by Botticelli Blake Rembrandt and Vermeer step from their gilded frames and their light plays freely Dedications A handshake is a holy place Words are made new in our attention to each other Distillations Dew gleams on oak leaves and the flanks of horses as the I grows quiet To speak the essential name of a thing is our peculiar pain and privilege The book ends with a quotation from William Carlos Williams The government of words is our responsibility since it is of all governments the archetype This is my urgent concern Words can be hurtful and destructive but in giving our loving attention to whoever we talk to we can heal our language and thereby enrich our communities and relationships In Adorations and Dedications the poetry springs to life out of such a practice Another concern is to do with how we perceive the things around us Look up thing in the dictionary and you will find it means not just an object but an assembly I like that Each thing is a gathering place for memories feelings and stories Things and flowers speak to us through their gestures and colours As for the animals their appearance in the final pages of this book culminates in a letter to the poet William Blake regarding our responsibilities for their well being
