

Psych 100 – Chapter 1: The Science of Psychology

- Psychology is the study of human behaviour
- The ultimate goal of psychological research is to understand human behaviour why people do what they do

Causal event-an even which causes another event

- Psychological research is performed to explain the different types of behaviours analyzing the cause of each

There are 12 fields of psychology we will focus on:

1. Physiological-study of physiology of organism to understand causal events in human behaviour
2. Comparative-study of behaviour of a variety of species, attempting to explain behaviour in terms of evolutionary adaption
3. Behavioural analysis-studies effect of environment on behaviour
 - Behaviours producing + effects repeated, - are not
4. Behavioural genetics- studies role of genetics in behaviour
 - look into what behaviours can be passed on genetically
5. Cognitive-studies mental processes and complex behaviours like perception
 - research helps us to discover brain function in response to events
6. Cognitive Neuroscience-studies brain mechanisms responsible for cognitive processes, studies damaged brain to find functions
7. Developmental-studies the physical, emotional, cognitive and social development of children mainly
8. Social-looks into the effect of people on other's behaviours
9. Personality-categorizes and understands the causes of an individuals difference in behavioural patterns
10. Evolutionary-explains behaviour in terms of adaptive advantages that propagate specific behaviour
11. Cross-cultural-studies the effects of culture on behaviour
12. Clinical-investigation and treatment of abnormal behaviour and psychological disorders

Physiological Roots of Psychology:

- we are all aware of our own existence, it is believed that this consciousness tends to relate to our own behaviours

Animism-believed at one time that our behaviour was governed by spirits

- Rene Descartes looked into natural phenomena using sensory experience and human reasoning

Reflex-automatic response to a stimulus

Dualism-belief that reality consists of mind and matter

Psychology 100 Chapter 1 Review Introduction

In the digital age, access to information has become easier than ever before. The ability to download Psychology 100 Chapter 1 Review has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Psychology 100 Chapter 1 Review has opened up a world of possibilities. Downloading Psychology 100 Chapter 1 Review provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Psychology 100 Chapter 1 Review has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Psychology 100 Chapter 1 Review. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Psychology 100 Chapter 1 Review. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Psychology 100 Chapter 1 Review, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Psychology 100 Chapter 1 Review has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
