But now that choice has propelled her to being the key to stopping the Ashanti She controls the gates that allow magic into the world and she must close them to prevent the Ashanti from crossing into the spirit realm and gaining power beyond imagination enough to enslave or destroy the world they once sought to rule But with the closure of each gate an elemental power is lost and those who stand against the Ashanti are less able to fight a threat that seeks control over life and death Welcome back to the world of Myrrah full of elemental magic and epic fantasy adventure The fate of the world hangs in the balance and the sacrifice to save it might be elemental magic Discover this exhilarating tale that has received praise such as It is the sort of read that reminds us how great fantasy can be and Strong characters and a beautiful world hold up a fine story We love Ms Birt s work we only wish we d found her sooner The Games of Fire Trilogy bundle contains all three books of the series Spark of Defiance Fantasia Reviews 2017 nominated book of the Year Gates of Fire Earth and A New Goddess PLUS the Untold Stories of the World of Myrrah that contains novellas and short stories set in the same world and often featuring familiar characters

Birt, 2020-04-12 Unlikely Friends Forbidden Magic An Ancient Punishment Enter the world of Myrrah ruled by the Church of Four Orders Fire Earth Water and Air But there exists another gift dubbed magic which the Church considers an aberration To be born with the powers of magic is to be condemned to death To be born with the ability to control an element is to be bound to a life serving the Church and obeying its rules The journey begins when Niri a Water Priestess stands against the Church to protect Ria a girl with forbidden magic This act of defiance sparks an epic fantasy adventure that leads four unlikely friends across the breadth of their world to seek answers hidden in the buried archives of the Temple of Dust Secrets from an ancient war and discoveries of hidden power lead to a fight for survival that threatens to tear apart their world What is magic and why does the Church want those who harbor its power exterminated Within the answer to that question lies the seeds of an ancient punishment one that was better left undisturbed As one adventure ends a new one begins This time the stakes are even higher To save their world and the next they must remove all elemental magic Success will destroy elemental magic Failure condemns this world and the next Return to the world of Myrrah with Lavinia Zhao and their companions in the award winning sequel series Games of Fire Six months after a tragic war the heroes face new challenges as old enemies rise and new alliances are tested The Ashanti cursed with lifespans of less than a decade seek to conquer death by gaining control of the spirit realm threatening to burn the world to ashes Lavinia now the Guardian of the Spheres must close the gates to the spirit realm to stop the Ashanti but each closure weakens the elemental magic they need to fight The ultimate battle for the future of Myrrah unfolds as friendships are tested sacrifices are made and the fate of two worlds hangs in the balance This boxset includes both the complete Rise of the Fifth Order Trilogy and the award winning sequel the Games of Fire trilogy plus the Series Companion and Untold Stories a collection of novellas and short stories set in the same world featuring many familiar characters Nominated for Best Book of 2017 and winner of Best Worldbuilding these books will sweep you away to a new
