

The background of the entire page is a monochromatic, grey-toned photograph. It depicts a misty or foggy park scene. In the foreground, the back of a person wearing a dark, hooded coat is visible, standing on a stone-paved path. The path leads into the distance, flanked by bare, leafless trees. In the far distance, another small, dark figure can be seen walking away. The overall atmosphere is somber and melancholic, fitting the title 'Grijze zielen' (Grey Souls).

Grey Souls Philippe Claudel, 2015-05-07 A bestseller in France and winner of the Prix Renaudot Grey Souls is a mesmerising and atmospheric tale of three mysterious deaths in an oddly isolated French village during World War I The placid daily life of a small town near the front seems impervious to the nearby pounding of artillery fire and the parade of wounded strangers passing through its streets But the illusion of calm is soon shattered by the deaths of three innocents the charming new schoolmistress who captures every male heart only to kill herself an angelic ten year old girl who is found strangled and a local policeman s cherished wife who dies alone in labour while her husband is hunting the murderer Twenty years later the policeman still struggles to make sense of these tragedies a struggle that both torments and sustains him But excavating the town s secret history will bring neither peace to him nor justice to the wicked Vrij Nederland ,2005
