Reckless The Life And Times Of Luis Oca:

Reckless Alasdair Fotheringham, 2014-10-28 The first biography of Luis Oca a one of the greatest cyclists of the twentieth century whose rivalry with The Cannibal Eddy Merckx is legendary *Reckless* Alasdair Fotheringham, 2014-05-08 This is the first ever biography in English of the Spanish Merckx who remains one of the most fascinating Tour de France champions Luis Oca a seemed doomed to live in the shadow of cycling s greatest ever rider Eddy Merckx The Cannibal Their rivalry defined Oca a s entire career yet he was the one rider capable of beating the all conquering Merckx in his prime After an impoverished upbringing he flourished at the sport he loved and in 1970 secured his biggest victory on home soil winning the Vuelta a Espa a and confirming his status as a Grand Tour challenger But it was in the 1971 Tour de France that the battle between Merckx and Oca a reached its peak when at the Orci res Merlette stage he inflicted on Merckx the worst defeat he would suffer in a major Tour with an astonishing 120 kilometre solo breakaway through the Alps But then came one of most gut wrenching crashes in Tour de France history when Oca a fell heavily on a Pyrenean descent losing his leader s jersey and with it his best chance of destroying Merckx s reputation of invincibility In the midst of a torrential downpour with minimal visibility rider after rider crashed into the injured rider as he lay prone The following day Merckx refused to wear the leader s jersey out of respect It was only when Merckx was missing from the start line in 1973 that Oca a became Spain s second ever Tour de France winner If Merckx had been present Oca a s chances of success would have been far slimmer Further triumphs amassed before his swansong in 1976 but Oca a s decline in later life reflects the immense struggle he embraced during the height of his career An enigmatic outsider to both the Spanish and French throughout his career never truly accepted in either country he died in mysterious circumstances aged just 48 A fascinating complicated character both on and off his bike Oca a s fierce determination impetuosity and some would say recklessness created some of the most beautiful and gripping episodes in the history of the sport **Panic Stations at Ski**

Stations Conor MacNamara, 2022-02-28 Conor MacNamara rode more than fifty of the greatest climbs in the Tour de France to try and conquer his fear of heights In the end Conor suffered a breakdown and discovered that he suffered from a panic disorder and required treatment This book documents Conor s experiences in detail The End of the Road Alasdair Fotheringham, 2017-05-04 The first detailed account of the Festina affair which ripped apart the 1998 Tour de France and irrevocably changed cycling The Tour de France is always one of the sporting calendar s most spectacular and dramatic events But the 1998 Tour provided drama like no other As the opening stages in Ireland unfolded the Festina team s soigneur Willy Voet was arrested on the French Belgian border with a car load of drugs Raid after police raid followed with arrest after arrest hammering the Tour In protest there were riders strikes and go slows with several squads withdrawing en masse and one expelled By the time the Tour reached Paris just 96 of the 189 starters remained And of those 189 starters more than a quarter were later reported to have doped The 1998 Tour de Farce s status as one of the most scandal struck sporting
