Thomas Goodrich Hellstorm:

Hellstorm Thomas Goodrich,2020-07-26 Millions murdered Millions raped Millions tortured Millions enslaved Millions of men women and children cast to the winds No matter what you have read about the Second World War no matter what you have been told about it no matter what you believe happened during the so called Good War forget it Now for the first time in over 70 years learn what the war and peace looked like to those who lost Discover what was done to Germany and her people in the name of freedom democracy and liberation In their own words in graphic detail this is their story *The Forgotten German Genocide* Peter C. Brown,2021-07-31 The Potsdam Conference officially known as the Berlin Conference was held from 17 July to 2 August 1945 at Cecilienhof Palace the home of Crown Prince Wilhelm in Brandenburg and saw the leaders of the United Kingdom the Soviet Union and the United States gathered together to decide how to demilitarize denazify decentralize and administer Germany which had agreed to unconditional surrender on 8 May VE Day They determined that the remaining German populations in Poland Czechoslovakia and Hungary both the ethnic Sudeten and the more recent arrivals as part of the long term plan for the domination of Eastern Europe should to be transferred to Germany but despite an undertaking that these would be effected in an orderly and humane manner the expulsions were carried out in a ruthless and often brutal manner Land was seized with farms and houses expropriated the occupants placed into camps prior to mass expulsion from the country Many of these were labor camps already occupied by Jews who had survived the concentration camps where they were equally unwelcome Further cleansing was carried out in Romania and Yugoslavia and by 1950 an estimated 11 5 million German people had been removed from Eastern Europe with up to three million dead The number of ethnic Germans killed during the cleansing period is suggested at 500 000 but in 1958 Statistisches Bundesamt the Federal Statistical Office of Germany published a report which gave the figure of 1 6 million relating to expulsion related population losses in Poland alone Further investigation may in due course provide a more accurate figure to avoid the accusation of sensationalism **The Fair Race's Darkest Hour** C. T. (Editor),2018-04-17 Compared to the previous editions in this 2018 edition of The Fair Race s Darkest Hour I have eliminated my introductory remarks to each chapter and also a dozen essays Only the texts that have caused a considerable impact on my worldview have remained The first two pieces especially Hamilton s explain the baffling phenomenon of Aryan ethnocide However I must say that I not only abridged Hamilton s piece for this collection but other essays as well In this compilation there are two fundamental texts The first one a book review by J A Sexton of Tom Goodrich s Hellstorm The Death of Nazi Germany 1944 1947 informs us about a Dantesque heart breaking Holocaust committed by the Allies on the Germans even after the war was over The second is a translation from Spanish of an online book authored by a Catalanian blogger who uses the penname Evropa Soberana Rome contra Judea Judea contra Rome [The Morgenthau Plan](#) John Dietrich,2013 Contrary to what is often reported in history books the Morgenthau Plan was a major element in postwar planning led by Washington before the war was even over This book

traces the roles played by Henry Morgenthau Jr Secretary of the Treasury to President Roosevelt and his assistant Harry Dexter White in the planning for the postwar world Close attention is given to the discussions leading up to the Second Quebec Conference in 1944 where Winston Churchill s acceptance of the plan was obtained It is clear that the effects of the policy were understood in advance The book follows the devastating consequences of the policies based on the plan and their contribution to the postwar collapse of the European economy Damning evidence shows that the Allies intentionally brought starvation and disease to large civilian populations while condemning millions of Germans to slave labor in neighboring countries and knowingly sending surrendered Russians to be sent back home for certain execution The motives of revisionist historians are suspect as they should be It is obvious that the conclusions that can be drawn from this account could be abused They could be used to condemn all Americans for the policies of some of their leaders They could also be used by people trying to justify the behavior of the National Socialists or by anti Semites However it should be pointed out that the American people paid an extremely high price for their Secretary of Treasurys interference in foreign affairs It should also be pointed out that one of the severest critics of Western postwar policy was the Jewish publicist Victor Gollancz This account is based primarily on unclassified information that has been available to the public for decades Although many accounts of the Morgenthau Plan accept the euphemisms understatements and outright fabrications offered by the individuals concerned this account will demonstrate that it was not impossible for a conscientious researcher to uncover a more accurate picture of the truth However most scholars have decided to accept at face value statements that on close inspection are obviously false Some of these misstatements concerning the Morgenthau Plan are understandable It is less understandable when a respected biographer like Robert E Sherwood intentionally distorts the historical record The contradictions between what really happened and what Americans believe and have been told are manifold It is ironic that Nazis who committed the most terrible crimes frequently received more humane treatment at the hands of the Allies than Germans who had opposed Nationalist Socialism It is also striking to note the evidence that key individuals had Communist leanings and it was the Soviet Union that benefited most from the Morgenthau Plan Many of the subjects dealt with in this manuscript are fertile ground for a researcher wanting to make a name for himself They are nearly virgin territory Why have so many of these subjects been treated as taboo When will our historians feel free to explore the implications that America s progressive establishment was frequently in alignment with Communist goals

Hellstorm Thomas Goodrich,2010 **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away

from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
