Emery,2016 KINGS RULE MEN QUEENS RULE KINGS Wyatt Strand is a hard man He has hard features speaks with harsh words and has a hardened heart Having served the Forsaken Motorcycle Club as Vice President

Wyatt is used to taking responsibility for his brothers but when he's handed the gavel everything changes. His brothers are now his men and the threat from the Italian mafia still looms in the distance. A president needs focus but that's nearly impossible when his old lady blows back into town and drops two very large bombshells on him. Amber Wallace is a tough woman but an even fiercer mother. She once told a lie to protect her unborn child that tore her away from the man she loves. And now years later she's coming home to make amends. Wyatt's changed but the club hasn't. Women are to be obedient. Unfortunately for Forsaken, Amber's not about to let a few rules stop her from living the life she always imagined. The Forsaken Motorcycle Club started a war with the Italian mafia and they've paid dearly for that choice. With a new president at the helm, the wheels are finally in motion to take down Mancuso once and for all. Even if it means taking the fight back to where it began. Love is never more beautiful than when it consumes you.

MATURE CONTENT WARNING

The Bayonet Scars novels are a dark and gritty romance series which features graphic sexual content, violence, and foul language that is intended for a mature audience. Each novel features a different couple, though it's not recommended that they be read out of order due to the series story arc.
