Fins, Feathers and Fur ,1928 *Grimm's Gruesome Tales* Brothers Grimm,2025-08-11

Within these pages lie twenty five of the Brothers Grimm s most brutal unflinching and haunting tales restored from their earliest unsoftened 19th century German editions Here there are no gentle morals no softened endings and no guarantees of salvation only the cold archaic logic of folklore where fate is merciless and cruelty is as ordinary as breath In this collection princesses drown in black rivers brides return from the dead as white birds and soldiers bargain with the Devil under moonless skies Death comes suddenly Punishment is inventive and merciless Mercy when it appears at all is rare and fleeting Each tale has been translated and adapted in raw vivid detail without censorship or dilution preserving the full force of their violence ritualistic symbolism and nightmarish imagery exactly as they appeared in the earliest oral and printed sources This includes scenes of extreme brutality cannibalism and ritual punishment elements that in their time were not gratuitous shocks but reflections of the moral and social truths embedded in the folklore of the era The atmosphere is cold as the soil of a freshly dug grave heavy as a midnight sky without stars Warning For mature audiences only 18 These tales contain explicit depictions of violence death cannibalism despair and folkloric ritual that may disturb some readers They do not comfort they stare back from the abyss of the old stories and let you see what stares with them
