Navigating The Highway To Holiness:

Navigating the Highway to Holiness Florence Koleszar, Michael Koleszar, 2014-11-24 WHERE ARE YOU ON THE HIGHWAY TO HOLINESS Being a Christian is more than just an instantaneous conversion it is a daily process whereby we grow to be more and more like Christ When we no longer desire to grow and please our Lord we stifle the work of the Holy Spirit by telling Him to move out from behind the steering wheel and into the back seat essentially telling Him we are happy to have Him along for the ride but we want to maintain control of our lives Christians are only as holy as they want to be John the Baptist addresses this thought head on when he said He must increase but I must decrease John 3 30 Here in this short scripture John identifies the main battleground for all Christians to become more like Christ while simultaneously conquering our sinful nature The church as a whole has pulled off of the Highway to Holiness into a rest area where we have become comfortable parked under the shade tree of contentment We have become satisfied with our spiritual growth telling ourselves that while we are not what we are suppose to be we are much better than what we use to be before Christ We have grown weary of battling our own flesh which has extinguished the passion and desire we once had to pursue holiness and righteousness However complacency with Christ is the graveyard where Christians go to die Supported by numerous scriptures *Navigating the Highway to Holiness* identifies areas within the church that have been weakened by false doctrine and the spirit of compromise while simultaneously challenging Christians to continually move towards perfection through the power of the Holy Spirit and by allowing Christ to assume His rightful place on the throne of our hearts An Infinite Journey Dr. Andrew M. Davis, 2014-01-09 After we ve come to faith in Christ God leaves us in this world for a very clear purpose his own glory But how are we to glorify God for the rest of our lives The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions This book is a road map for the internal journey laying out how we are to grow in four major areas knowledge faith character and action In this book we ll learn how God grows us in knowledge faith character and action We ll also discover that spiritual knowledge constantly feeds our growing faith faith will transform our character our transformed character will result in an array of actions more and more glorifying to God and our actions will feed our spiritual knowledge This upward spiral will lead us to become more and more like Jesus Christ in holiness And not only will this book help us understand Christian growth in detail it will also give us a passion to grow every day for his glory **The Way Back Home** Dennis Chamberland, 2005-09-12 Holiness is not at all about what you see but it is instead all about what you do not see Show me a Christian who has lost his fear of making himself of no reputation among the religious people so that he can love the lost with his life and I will show you a very powerful and dangerous man In **THE WAY BACK HOME** a very detailed description of personal holiness is provided so that every Christian can clearly understand just what holiness is and what it is not Dennis Chamberland traces the application of holiness all the way back to its

scriptural origins He also warns the reader in a careful cautionary note of the recent historic misadventures into what holiness should never become THE WAY BACK HOME is developed as a personal journey into this most necessary but widely misunderstood aspect of every believer s life This book is a six week prayer and spiritual journal that gives every reader regardless of their present spiritual condition the opportunity to make personal holiness an individual journey Christians either live courageous lives or they compromise to make everyone happy Oft called extremists by the secular culture real Christians are forced to make the choice conciliation or become minimalized and isolated This is a manual for the committed Christian who dares to uncompromisingly serve Christ and at the same time achieve true unilateral love for everyone else with the same fervor they love the Master It is a chart down the long and sometime tearful highway called life It is a book only for the truly faithful It is a manual that leads the way to the only viable option brilliant success *The Primitive Church (or Baptist) Magazine* ,1858 *Guardians of Purity* Julie Hiramine,2012 This world we live in is reaching into the hearts and minds of our children shaping and molding them into a replica of its values trends and worldviews Guardians of Purity gives you practical advice to help you stand against these destructive cultural influences In the World But Not of it , The Banner of Holiness ,1875 **The Publishers' Circular and General Record of British and Foreign Literature** ,1872 Publishers' circular and booksellers' record ,1872 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1872 Making Cell Groups Work Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham,2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church s calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition **Wilderness Women** Toni Emehel,2009-07-01 Wilderness Women Live to tell the story is God s gift of healing and deliverance sent to hydrate the thirst of parched souls wandering in the wilderness This life transforming anthology brings together essential rudiments of life including the infallible Word of God and the powerful message of His wholeness through communal healing **A Bend in the Road** Dr. David Jeremiah,2002-02-06 Drawing on his insightful sermon series renowned pastor teacher David Jeremiah shares the comfort and hope of the Psalms and how these truths can guide believers through life s greatest challenges He includes inspiring real life stories of people who have struggled with terminal illness the loss of a child or the imprisonment of a spouse Jeremiah interweaves his own journal entries revealing his battle with cancer and how the Psalms helped to sustain him during the fight of his life A Bend in the Road is an invaluable source of help and encouragement for people facing major

Theology 2025 The Gospel Coalition Book Award of Distinction in Cultural Apologetics 2024 How to keep faith in a culture hostile to Christianity In an increasingly secular world Christians are often pulled in two directions Some urge us to retreat and build insular communities Others call upon us to wage a culture war harnessing the government to shore up Christian cultural power But there is another way and it s as old as the church itself Stephen O Presley takes us back to the first few centuries AD to show us how the first Christians approached cultural engagement Amid a pagan culture that regarded their faith with suspicion early Christians founded a religious movement that transformed the ancient world Looking to great theologians like Augustine Origen and Tertullian Presley shows how the early church approached politics family public life and more From these examples he draws lessons for practicing authentic pious discernment in how we engage with the wider culture The Christians who came before us endured persecution to share a vision of human flourishing that changed

the world Following in their footsteps we can sanctify our society through social witness Readers anxious about shifting cultural tides will be left with hope in the already present kingdom of God and the promised resurrection As It Is in Heaven Caitlin Smith Gilson, 2022-04-05 The loss of a real and heartfelt belief in God and by real I mean an experience that is both steady and moving ethereal though down to earth sentimental but never trite comes from an earlier more foundational loss namely that of an ardent and directed desire for heaven and more specifically that paradisaal longing for the resurrected life This book seeks to recover the neglected nature of heaven degraded into something out there and unknown degraded further into a vague wish for immortality and the often empty words of consolation Or even worse the almost comic book reduction of heaven to an earthly social ist paradise the immanentization of the Christian eschaton The vague better place which is meant well often means nothing at all or worse than that can hamper us when approaching and engaging the mystery of grief This book will address and interrogate various questions about the nature of the afterlife on the status of guilt forgiveness friendship love embodiment sexuality and propose various paths to answers We are talking about that sacred innermost promise the hope of paradisaal reunion most secret and yet most universal never abstract and shapeless but embodied and individual We must wonder whether our casual forgetting of this estuary of human hope the resurrected life has caused us to lose ourselves in such a way that we do not even know what we have lost
