Wartime Entertainment Anton Rippon, Nicola Rippon, 2025-03-31 It might have ended 80 years ago but we still have a warm nostalgic relationship with the Second World War due in no small part to the love we have for the entertainment from those turbulent times Singers like Vera Lynn the Forces Sweetheart Gracie Fields Anne Shelton and the Andrews Sisters bandleader Glenn Miller whose fate is still a mystery films like *Gone With The Wind* *Casablanca* *Mrs Miniver* *In Which We Serve* *Goodbye Mr Chips* and morale boosting radio programs like *ITMA Music While You Work* and *Hi Gang* all helped Britain to stay calm and carry on as it sheltered from the bombs worked long hours in munitions factories and prayed that its menfolk fighting on land sea and in the air to bring about victory would one day return home safely *Wartime Entertainment How Britain Kept Smiling Through the Second World War* relives the wartime years looking at the songs and the singers at the role that the BBC Auntie played not only in entertaining the nation but also in keeping it informed at how West End theater survived the Blitz and at the bands that played both the big dance venues and the village halls to raise spirits and for a few hours at least lighten the mood of those dark and dangerous days The book considers the work of the Crown Film Unit that made short information and documentary films as well as longer drama documentaries and even a few straight drama productions for the public in Britain and abroad and at ENSA the Entertainments National Service Association that provided entertainment for British armed forces personnel both at home and abroad **The New Republic** Herbert David

Croly, 1980 **Hunt's Tomato Paste Recipe Collection** Hunt-Wesson Foods, 1977 **Modern Meal Maker** Martha Meade, 1939 *Stop Alzheimer's Now!* Bruce Fife, 2016-04-11 Over 35 million people have dementia today Each year 4 6 million new cases occur world wide one new case every 7 seconds Alzheimer s disease is the most common form of dementia Parkinson s disease another progressive brain disorder affects about 4 million people world wide Millions more suffer with other neurodegenerative disorders The number of people affected by these destructive diseases continues to increase every year Dementia and other forms of neurodegeneration are not a part of the normal ageing process The brain is fully capable of functioning normally for a lifetime regardless of how long a person lives While ageing is a risk factor for neurodegeneration it is not the cause Dementia and other neurodegenerative disorders are disease processes that can be prevented and successfully treated This book outlines a program using ketone therapy and diet that is backed by decades of medical and clinical research and has proven successful in restoring mental function and improving both brain and overall health You will learn how to prevent and even reverse symptoms associated with Alzheimer s disease Parkinson s disease amyotrophic lateral sclerosis ALS multiple sclerosis MS Huntington s disease epilepsy diabetes stroke and various forms of dementia The information in this book is useful not only for those who are suffering from neurodegenerative disease but for anyone who wants to be spared from ever encountering one or more of these devastating afflictions These diseases don t just happen overnight They take years often decades to develop In the case of Alzheimer s disease approximately 70 percent the brain

cells responsible for memory are destroyed before symptoms become noticeable You can stop Alzheimer s and other neurodegenerative diseases before they take over your life The best time to start is now **Stop Vision Loss Now!** Bruce Fife,2017-08-11 Losing your eyesight is a frightening thought Yet every five seconds someone in the world goes blind Most causes of visual impairment are caused by age related diseases such as cataracts glaucoma macular degeneration and diabetic retinopathy Modern medicine has no cure for these conditions Treatment usually involves managing the symptoms and attempting to slow the progression of the disease In some cases surgery is an option but there is always the danger of adverse side effects that can damage the eyes even further Most chronic progressive eye disorders are considered incurable hopeless However there is a successful treatment It doesn t involve surgery drugs or invasive medical procedures All that is needed is a proper diet The key to this diet is coconut specifically coconut oil The author used this method to cure his own glaucoma something standard medical therapy is unable to do The coconut based dietary program described in this book has the potential to help prevent and treat many common visual problems including the following Cataracts Glaucoma Macular degeneration Diabetic retinopathy Dry eye syndrome Sjogren s syndrome Optic neuritis Irritated eyes Conjunctivitis pink eye Stroke Eye disorders related to neurodegenerative disease Alzheimer s Parkinson s MS Most chronic eye disorders come without warning No one can tell who will develop a visual handicap as they age Everybody is at risk Once the disease is present treatment is a lifelong process The best solution is prevention In this book you will learn the basic underlying causes for the most common degenerative eye disorders and what you can do to prevent stop and even reverse them **Stop Autism Now!** Bruce Fife,2017-08-11 Over 1 million people have autism Childhood developmental disabilities of all type is rapidly growing including autism attention deficit hyperactivity disorder ADHD epilepsy mental retardation and others Currently in the United States 4 million children have attention deficit hyperactivity disorder the most common learning disability and an incredible one in six children are classified as learning disabled Why the sudden astronomical rise in developmental disabilities Most doctors have no clue what causes autism nor any idea how to prevent or even treat it The only medically recognized form of treatment is an attempt to teach affected children how to manage the disorder and live with it Antidepressants antipsychotics and stimulants are often prescribed to help cope with symptoms No possibility of a cure is offered as the condition is considered permanent in other words hopeless Autism however is not a hopeless condition It can be prevented and successfully treated without the use of drugs This book describes an innovative new dietary and lifestyle approach that has proven very successful in reversing even some of the most severe developmental disorders allowing once disabled children to enter regular school and lead normal happy productive lives There is a solution You can stop autism now Dr Fife has done an outstanding job on Stop Autism Now This book gives the latest stats on the pervasiveness of autism spectrum disorder and more importantly viable solutions With food lists and recipes galore Dr Fife makes the diet doable and manageable and worth your effort to try it Carolyn Dean MD ND Author of The Magnesium

Food in the Movies, 2d ed. Steve Zimmerman, 2010-07-28 Although food has been part of motion pictures since the silent era for the most part it has been treated with about as much respect as movie extras it s always been there on the screen but seldom noticed For the most part filmmakers have settled on three basic ways to treat food as a prop in which the food is usually obscured from sight or ignored by the actors as a transition device to compress time and help advance the plot as a symbol or metaphor or in some other meaningful way to make a dramatic point or to reveal an aspect of an actor s character mood or thought process This hugely expanded and revised edition details 400 food scenes in addition to the 400 films reviewed for the first edition and an introduction tracing the technical artistic and cultural forces that contributed to the emergence of food films as a new genre originated by such films as Tampopo Babette s Feast and more recently by films like Mostly Martha No Reservations and Ratatouille A filmography is included as an appendix
