### **Three To Get Ready Premarital Counseling Manual:**

*Three to Get Ready* Howard A. Eyrich, 1991      *Three to Get Ready* Howard A. Eyrich, 1978      **A Christian Guide to Sexual Counseling** Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information, both physiological and psychological, and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not or should not be disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: attitudes of the church toward sexuality; the responsibility of Christian leaders to offer positive teaching; normal sexual functioning; common sexual problems in a marriage; the role and possible outcomes of sexual counseling; female problems; male problems; special concerns for singles; premarital education.      **Three to Get Ready** Howard A. Eyrich, 1979-11      **Biblical Counsel**, 1993      **Thirty Seven Biblical Strategies For Making Marriage Joyful** Dr. Howard Eyrich, 2023-09-12 About the Book: Here are proven strategies embedded in the Scriptures with which to unlock the joy and lock out the disappointment and disillusionment that lead to a hurtful and eventually fractured marriage relationship. By setting time aside each week, you will better understand and apply biblical solutions to issues in your relationship and direct your energies toward defeating the problem, not each other. Since God's plan of creation and redemption features marriage, Adam and Eve at the beginning and Christ with the Church at the end, a stable and joyful marriage not only brings God glory, it provides an example for future generations to build on and copy. Use this book as a marriage enrichment tool, as a couple or group study book to work through with other couples, or as a resource to use with a counselor. In doing so, you will stimulate the growth and development of your relationship with God and each other, experience greater joy in your marriage, and ultimately bring Him glory. Throughout, you will find Key Scriptures applied to marriage. Nuggets of wisdom from a biblical counselor who is himself long married. Questions to consider and answer. Practical homework to help you put what you've read into action. Dedicated space to write notes, prayers, or important ideas you want to remember.
